#1027 A weekly bulletin for residents of Auroville 16 May 2024

*There is a Permanent, a Truth hidden by a Truth where the Sun unyokes his horses.
The ten hundreds (of his rays) came together—That One. I saw the most glorious of the Forms of the Gods. Rig Veda
The face of Truth is hidden by a golden lid; that remove, O Fostering Sun, for the Law of the Truth, for sight.
O Sun, O sole Seer, marshal thy rays, gather them together,— let me see of thee thy happiest form of all;
that Conscious Being everywhere, He am I. Isha Upanishad*

Pondering

Finally, Consciousness being thus omniscient and omnipotent, in entire luminous possession of itself, and such entire luminous possession being necessarily and in its very nature Bliss, for it cannot be anything else, a vast universal self-delight must be the cause, essence and object of cosmic existence. 'If there were not,' says the ancient seer, 'this all-encompassing ether of Delight of existence in which we dwell, if that delight were not our ether, then none could breathe, none could live.'

Mind once existent, Life and Form of substance follow; for life is simply the determination of force and action, of relation and interaction of energy from many fixed centres of consciousness,— fixed, not necessarily in place or time, but in a persistent coexistence of beings or soul-forms of the Eternal supporting a cosmic harmony. That life may be very different from life as we know or conceive it, but essentially it would be the same principle at work which we see here figured as vitality,— the principle to which the ancient Indian thinkers gave the name of Vayu or Prana.

House of Mother's Agenda

(continued from last week)

Then after a silence Narad made reply:
Tuning his lips to earthly sound he spoke,
And something now of the deep sense of fate
Weighted the fragile hints of mortal speech.

His forehead shone with vision solemnised,
Turned to a tablet of supernal thoughts
As if characters of an unwritten tongue
Had left in its breadth the inscriptions of the gods.

Bare in that light Time toiled, his unseen works
Detected; the broad-flung far-seeing schemes
Unfinished which his aeoned flight unrolls
Were mapped already in that world-wide look.

'Was then the sun a dream because there is night?

Hidden in the mortal's heart the Eternal lives:
He lives secret in the chamber of thy soul,
A Light shines there nor pain nor grief can cross.

A darkness stands between thyself and him,
Thou canst not hear or feel the marvellous Guest,
Thou canst not see the beatific sun.

O queen, thy thought is a light of the Ignorance,
Its brilliant curtain hides from thee God's face.
It illumines a world born from the Inconscience
But hides the Immortal's meaning in the world.

Thy mind's light hides from thee the Eternal's thought,
Thy heart's hopes hide from thee the Eternal's will,
Earth's joys shut from thee the Immortal's bliss.

Thence rose the need of a dark intruding god,
The world's dread teacher, the creator, pain.

Where Ignorance is, there suffering too must come;
Thy grief is a cry of darkness to the Light;
Pain was the first-born of the Inconscience
Which was thy body's dumb original base;
Already slept there pain's subconscious shape:
A shadow in a shadowy tenebrous womb,
Till life shall move, it waits to wake and be.

In one caul with joy came forth the dreadful Power.

In life's breast it was born hiding its twin;
But pain came first, then only joy could be.

Pain ploughed the first hard ground of the world-drowse.

By pain a spirit started from the clod,
By pain Life stirred in the subliminal deep.

Interned, submerged, hidden in Matter's trance
Awoke to itself the dreamer, sleeping Mind;
It made a visible realm out of its dreams,

It drew its shapes from the subconscious depths,
Then turned to look upon the world it had made.

By pain and joy, the bright and tenebrous twins,
The inanimate world perceived its sentient soul,
Else had the Inconscient never suffered change.

Pain is the hammer of the Gods to break
A dead resistance in the mortal's heart,
His slow inertia as of living stone.

If the heart were not forced to want and weep,
His soul would have lain down content, at ease,
And never thought to exceed the human start
And never learned to climb towards the Sun.

This earth is full of labour, packed with pain;
Throes of an endless birth coerce her still;
The centuries end, the ages vainly pass
And yet the Godhead in her is not born.

The ancient Mother faces all with joy,
Calls for the ardent pang, the grandiose thrill;
For with pain and labour all creation comes.

This earth is full of the anguish of the gods;
Ever they travail driven by Time's goad,
And strive to work out the eternal Will
And shape the life divine in mortal forms.

His will must be worked out in human breasts
Against the Evil that rises from the gulfs,
Against the world's Ignorance and its obstinate strength,
Against the stumblings of man's pervert will,
Against the deep folly of his human mind,
Against the blind reluctance of his heart.

The spirit is doomed to pain till man is free.

There is a clamour of battle, a tramp, a march:
A cry arises like a moaning sea,
A desperate laughter under the blows of death,
A doom of blood and sweat and toil and tears.

Men die that man may live and God be born.

An awful Silence watches tragic Time.

CLOSING THE ROAD on Matrimandir Northern Fence Line

Dear Auroville Community, the unpaved road between Matrimandir and Town Hall, going from the Matrimandir Worker's gate, passing in front of Cinema Paradiso, to the Y intersection near the Matrimandir Office Gate will be permanently closed in a few days. This is owing to the Matrimandir Lake team expanding its excavation work in front of Town Hall. This road was never meant to be a permanent road, therefore this road closure takes us to the next step of preventing the city center from being used as a shortcut for those seeking to go from one end of Auroville to the other.

The enclosed map shows how the Administrative Area buildings/ Town Hall campus can now be accessed and where the temporary parking (currently in front of the Paradiso) can shift to.

For the time being, until the Crown is complete, the Administrative Area can be approached from the west (MM Nursery side) and the east (Surrender/ Gaia junction side), and the Town Hall campus can be entered into from the two gated ends i.e. the ACUR end gate and the Foundation gate.

Regarding the temporary parking in front of Cinema Paradiso which is currently used by many, a shaded space for temporary parking exists behind the SAILER building (photos attached) which can be used by those entering the campus from the Foundation side.

for skills of the future and integral personality development

Auroville Institute of Applied Technology offers opportunities for Aurovilians and Non-Aurovillian youths from the region, who passed 10+2 or equivalent certificates to pursue their higher Education leading to a bachelor's degree B.Voc. in professional engineering courses affiliated with Pondicherry University. These courses in emerging technologies are three years in duration, skill-centric focusing on the implementation of technologies.

The following B.Voc. courses are based on Integral Education and conducted at AIAT Campuses in Irumbai, Aurobrindavan and Udavi-C3 Land design campuses:

1. Software Development & Machine Learning
2. Electronics and Electric Technologies incl. Sustainable Energy
3. Mechatronics and Production Technologies
4. Applied Electronics and Chip Design
5. Information Technology

In a two-month internship program/year at the industrial sites students will practice in an industrial environment and will be mentored by professionals.

The integral education includes Radical Transformation Leadership, Yoga, Meditation, communication and entrepreneurship, 3rd Language (Hindi, German or French).

The syllabuses are designed by AIAT and approved by the university, focusing on major-oriented relevant minor subjects resulting in a smaller number of subjects than for a B.E. course. The main benefit of joining a B.Voc. course against B.E./B.Tech. are:

1. Bachelor's Degree after three years instead of four years
2. Internship of 6 months and project work instead of just 2 weeks
3. Specialisation during three years instead in 4th year or in 5th year of Master's degrees
4. Relevant major-oriented minor subjects
5. It costs less and is within Auroville
6. Skill-centric, project-based and industrial experience makes you job-ready/Placement
7. Participation in Auroville cultural program
8. Bus facilities

Explore the same texts that ignited the intellectual flame within Sri Aurobindo, illuminating pathways to understanding mathematics in its purest form.

2. Section 2:

Through these three enlightening sections, we invite you to integrate and nurture the qualities of insight, intuition, and intellectual depth that mathematics cultivates within the receptive mind. CIRHU AND SURYA PERFORMANCE LAB PRESENT:

Freedom of the body

7, 8, 9 of June 2024

An experiential immersive workshop designed and guided By Philippe Pelen and Thierry Moucazambo From Surya Performance Lab **Dialogue with the Cells**

Thanks to the vision of The Mother and Sri Aurobindo

A path to follow from the mind to the heart and from the heart to the body, through deep relaxation, frequencies, meditation, Pranayama, yoga, visualization, and a spontaneous natural dance.

A joyful experience for a transformation of the body.

The first experiential event was done in April for CIRHU. After the great success of this event with very deep and thoughtful feedback & testimonies, we decided to offer this workshop to the Auroville community and guests. It is open to everyone: Aurovilians, Newcomers, Volunteers and guests who want to discover and experiment with cellular consciousness. It is also open to participants who attended the first event and wanted to experience the deeper inner-self in their practice.

- **Location:** Harmony Hall, Bharat Nivas
- **Time:** 9am—1 pm. Please come at 8:45am
- **Contribution:** Guests: Rs. 5000, Aurovilians, Newcomers, Volunteers: Rs. 1500
- **Contact:** cirhu@auroville.org.in or +91 8300387288 WA for registration. Registration is mandatory.

'...all the cells of the body were athirst for that Light which wants to manifest...' The Mother

For better integration and understanding, it is essential to follow the 3 days of immersive, experiential event. This experience is designed as a path of awakening.

'The unity of heart and body is the foundation of all true spiritual realization.' Sri Aurobindo

At this stage, our body becomes the field of exploration and experimentation, a conscious living laboratory.

'Every cell of our being is a sacred temple where divinity resides, and personal transformation begins by honouring this sacred presence within us.'—The Mother

- **Each participant should wear** light, flexible clothing suitable for movement and bring a yoga mat or towel.

Some testimonies

Shivakumar: A Profound Shift in Perspective. While the 'Freedom of the Body' workshop concluded weeks ago, its impact continues to resonate within me, sparking profound changes in how I perceive myself and my connection to the physical realm. Your guided exploration of cellular consciousness, allowing us to enter and exit the body at a cellular level, was truly unique.

SIV: After 19 years with Auroville, this was the first time I ever did anything related to the cellular realms of the body. I now understand that I have to develop the capacity to go inside. How I do not know yet. For years I have been wondering about what this inner world is like when you live in it. Now I understand more about what it means. To me this is Huge!

Ocean: Having spent almost 18 years on my path of self-discovery, learning about myself, human interactions and reality we live in, in search for the Truth and unity, only this time I was able to tap into something so close to myself, yet never explored before, giving a feeling of coming home. Although I made an attempt to understand the 'Mind of the Cells', I was not able to experience it myself but rather touched the subject intellectually. It all changed in your workshop... I found myself tapping into something very precious and I would call extraordinary, an intimate connection with myself. It almost felt like entering through

a new door. And you gave us the key! Introducing us into the world of our cells, not mentally but by our perception and awareness with ease.

Philippe Pelen and Thierry Moucazambo

They are dancers, performers, choreographers, directors and energy healers from Reunion Island, a French multi-cultural island in the Indian Ocean, where they founded the Talipot Theatre.

Coming from an island with memories of slavery and colonization, they developed a methodology, a process they called 'decolonization of the body, of the cells, of the imagination and the mind.'

Their exploration of the actor-dancer's body has organically evolved into a transformative energy healing.

They teach their method in different universities around the world, in different spiritual and artistic groups. They have also lectured at UNESCO, created and directed 34 shows and performed in 83 countries with artists from all over the world.

Inspired by the teachings of Sri Aurobindo and The Mother, they are deeply into the Yoga of the Cells and dialogue with cells. They have been trained by Bhaga from the Auroville Laboratory of Evolution, by Barbara, and different mentors, scientists in the world and many special "First people" leaders in South Africa, New Caledonia, and Australia.

In Auroville, they founded the Surya Performance Lab and created many shows.

Help Needed

**FUNDRAISING FOR VOLUNTEERING
at Sapang school in Nepal**

Dear all, this is Nirmal, I grew up in New Creation under the Guidance of Tixon who currently manages Roy's (Alistair Wicks) Boarding House and Nirami print studio.

I got the opportunity to teach at the school in Sapang, Nepal and make a meaningful impact in the lives of others by contributing to a community in need and to witness the transformative power of education firsthand.

However, I recognize that embarking on this journey requires financial resources that I currently lack. That's why I'm reaching out to you all to support me in this endeavor. My plan was to start in the first week of June and spend a month there, it would roughly require 35k for the trip and to support my stay. Whatever one could contribute would be much appreciated. **FS Acc no: 6980**

Volunteering at the School is a chance to immerse in a culture rich in history, tradition, and resilience. It's a chance to learn from the local community, to exchange ideas and experiences, and to forge connections that transcend borders and boundaries.

Your contributions will help to support the ongoing work of the School from providing essential resources like textbooks and stationery to improving infrastructure and facilities, your generosity will directly impact the lives of the students and teachers who call this school their home.

I'm seeking your encouragement and belief in the power of volunteerism and compassion. Together, we can show that even small acts of kindness can make a big difference in the world and the strength of human unity

Thank you for the time given to read this message and believe in the power of giving back.

Yours Truly Nirmalraj, Happiness community.

Housing Loan Repayment Assistance

Dear Community Members & Friends, We, Vinai & Rama, are working in the Service Units & staying in Petite Ferme Auromodele. We are currently reaching out to request your assistance with our housing loan repayment. Due to unforeseen circumstances, we are currently facing financial challenges that make it difficult for us to meet our repayment obligations. Your support would greatly alleviate this burden and help me ensure the stability of my housing situation.

- Any contribution, no matter how small, would be sincerely appreciated by my FS account no: **106445**.

Thank you for considering my request during this time of need.

ROOTS SOCIAL MEDIA

Dear All, Roots social media (WhatsApp/FB) had started as part of Roots, an activity under City Services. With COVID waves while the nascent Activity itself de facto stopped (and eventually the Activity/FS Account

#106567 initiated by Anandi Zhang closed), the sharing, and learning about healthy food grew manifold in the WhatsApp group. Over time its scope got defined as local, bio-regional, learning/sharing (as opposed to commercial in its intent) group—focused on food, healthy eating, local produce, foraging, and preparing.

Roots in social media/ WhatsApp group is currently not associated with any Activity—and would continue as an informal/spontaneous social media group as is.

Trip ideas

Looking for a weather change, why not Nepal, Kashmir, or Ladakh... and of course closer to Auroville, Kodaikanal is there too...

A change of scenery only one short flight away, Cochin maybe... Sri Lanka of course... Andaman Islands? Maldives...

We are accepting both Indian and International debit and credit cards, as well as UPI IDs and QR code payments at our office. #Conditions apply. And of course transfers on our Financial Service Account are very welcome...

Travel Tips

- **Several travelers were 'boarding denied'** as check-in staff didn't accept the e-FRRO Stay Visa as valid document without backing it up with additional documentation. Therefore we advise to take beside the Stay Visa document (please make sure your current Passport details are in it) your Original Visa, which is maybe in an older expired Passport. If not available anymore, take at least a photocopy of the original Visa.
- **Indian nationals** can now be issued long-term, multi-entry Schengen visas valid for two years after having obtained and lawfully used two visas within the previous three years. The two-year visa will normally be followed by a five-year visa, if the passport has sufficient validity remaining. During the validity period of these visas, holders enjoy travel rights equivalent to visa-free nationals.
- **Sri Lanka** has shifted from the Electronic Travel Authentication (ETA) visa programme to a new E-visa scheme with effect from 17 April 2024. In this context, the ETA website was discontinued on 16 April 2024

- **The Embassy of the Republic of Turkey** announces that Turkish authorities has commenced requiring the 'Electronic Airport Transit Visa' (e-ATV) for Indian & Nepalese passport holders traveling to Mexico, Panama, Colombia and Venezuela, Transiting via the Istanbul Airport.
- **eVisa fees waiver scheme** has been introduced for citizens of India, China, Indonesia, Russia, Thailand, Malaysia, and Japan, with immediate effect, valid until 31 May, 2024 (Last date of arrival) for tourism only. To avail of the scheme, please select the 30-day single entry eVisa option.
- **Thailand** has extended its visa exemption program for tourists from India and Taiwan for another six months, allowing these travelers to enter the country without a visa until November 11, 2024. Travelers from India and Taiwan can stay for a maximum of 30 days without a visa.

Poetry

A QUIET POEM

*When music is far enough away
the eyelid does not often move
and objects are still as lavender
without breath or distant rejoinder.
The cloud is then so subtly dragged
away by the silver flying machine
that the thought of it alone echoes
unbelievably; the sound of the motor falls
like a coin toward the ocean's floor
and the eye does not flicker
as it does when in the loud sun a coin
rises and nicks the near air. Now,
slowly, the heart breathes to music
while the coins lie in wet yellow sand.*

Frank O'Hara

SUMMER IS ALREADY IN THE AIR

Summer is already in the air.

Do you feel it in the skin?

Do you sweat and swear?

Or do you cool down

And smile on?

*With joyful Gratitude,
Anandi Z.*

Voices and Notes

THE CITY OF DAWN

The Sun does not choose what to shine on.

True Divine Love sees All as One.

That is why It continues to create without limits,
Its hierarchical differences experiments, self-corrects,
Evolving towards a Beingness with a Direct Will
Over Its own Matter.

Purusha and Prakriti in integrality,
Finally,
The Life Divine.

But first before this Marvellous Beingness
You need a Change of Consciousness
From your false-separative gross mental
To the Truth-Unity Supramental.

The easiest and most joyful way for this
Is the Sunlit Path of Surrender to the Supreme Source,
And here in Auroville, our object of Bhakti
Is the Supreme Divine Mother MahaShakti.

This City of Dawn of the Kalki Avatar
Sri Aurobindo and the Mother
Has Her own differential Supramental flavour.
Anyone who wishes to participate is invited.

But, to live here in Auroville,
One must be a willing servitor
Of the Divine Consciousness-Force:
MahaShakti's superconscious Hero Warriors
Against the past that seeks to endure.

So, do carefully make your consenting choice
As Earth is obviously quite spacious
For anyone else to live their own Ideals.

But again if you wish to battle it out
In this concentrated Divine Battlefield
Aspiring for a truly meaningful change,
Then as our founder the Mother in Her Invite
Has generously said on 28th February 1968:
'Greetings from Auroville to all men of goodwill.

Are invited to Auroville all those who thirst for progress
and aspire to a higher and truer life.'

And has left us with our Three Core Ideals¹,
Aims and Principles²,
And all their Avatatic guidance and revelations³
Towards the Divine Manifestation
Of the new apex species the Supramental being.
A new beingness beyond the obvious limitations
Of the transitional humans

That will take a few more generations.
 And so we consciously prepare this City of Dawn
 For all the incoming Sun-eyed Children,
 A Yantric city-wide Gurukul modern,
 A Garden City of unending education
 And constant progress befitting Her host,
 Bharat Mata the Guru of Nations.

We joyfully continue on...

THE MOTHER:

Aspiration Talk On 31 March 1970

Auroville will be built on the efforts of its pioneers. It will require of them all that they can contribute in effort, endurance, wealth and forbearance.

An Auroville brochure, February 1968

These are the bold people, young and enthusiastic, with whom the Mother founded Auroville. How far this went is revealed by the Mother addressing, two years later, some residents by these words:

'Do you know M?

A: Yes.

He has some sort of shop for selling things.

A: Yes, a store.

Yes, that's it. But there is no one to look after it at night and so there are thefts. And it seems that you have too many people and not enough accommodation. So what I suggested was that each month someone could go there to sleep at night and come back in the morning, if it's not too far.

A: It's three kilometers away.

G: Three or four kilometers, Sweet Mother.

Oh, well that's nothing.

A: By cycle it is nothing.

By cycle—do you have bicycles?

A: Yes, though actually we don't have enough. We must get some more. We don't have enough cycles but we can find some more.

And all you have to do is go there in the evening, at night, and come back in the morning. At night the bicycles won't be needed [at Aspiration]. But if you know M, he could take one of you along and show him and explain it to him.

A: All right.

I think it will be alright.... I don't know what it's like, I couldn't say, but I hope that it will be comfortable.

A: And what do you think about making a big hut to house twenty or twenty-five people? It was one of N's ideas.

I think that until there is enough accommodation for everyone it is quite indispensable. I'm not saying that it will be super comfortable, but it is most indispensable.'

MCW, 13, p, 322

Is it all gone? How many, today, nurture the flame—in deeds and lifestyle, not idle words?

Paulette

AUROVILLE FOREST STEWARDS MISSION

Statement

Since 1982, the Auroville Forest Group, has been the official body mandated by the Residents of Auroville and is also endorsed by the Master Plan—Perspective 2025 (Refer— APPENDIX 2: Role & Responsibilities of Different Working Groups in Auroville) as the body responsible for planting and maintenance of Auroville's forested areas, particularly the protective Green Belt around the township. For the past 42 years, this group has held monthly meetings and published its minutes in the N&N.

The Forest Group would like to reiterate its commitment to nurture and protect the green spaces of Auroville.

Forest Group Purpose— Provide an integrated ecological basis for Auroville, physically and spiritually. Core Values— Mutual Respect, Commitment, Resilience, Humour, Courage

The Forest Group reaffirms its dedication to a wider economic approach that supports Auroville's enduring commitment to a gift economy. This stance is reinforced by their hands-on experience and highlights their participation in a broader spiritual vision for Auroville.

The FG unequivocally states its intention to avoid commercializing its activities for profit, emphasizing that its work in addressing Climate Change and the loss of two-thirds of the global biodiversity, involves intangible values essential to community survival and the common good, rather than mere monetary gains.

Forests play a multitude of vital roles both environmentally, socially and culturally. Forests are critical to sustaining life on Earth, providing essential ecosystem services that support human well-being, protect our natural environment, and foster biodiversity. Historically, the FG has consistently performed with such an integral ecology.

As stewards of the forest, the FG sees itself as custodians of biodiversity, soil regeneration, erosion control, aquifer recharge, air quality, afforestation and the preservation of cultural practices and ancestral knowledge vital for sustainable living. The group also commits to upholding the rights of nature.

Thus, the Forest Group would like to continue operating beyond profit-driven objectives to embrace a service-based model that is communally oriented, not only for Auroville itself but for the entire bioregion, and attuned to the pressing environmental concerns.

It is with this spirit that the Forest Group continues to operate under challenging circumstances where-in our FS Accounts have been frozen, budgets were cut without any consultation with the residents and the maintenance of 42 foresters and 62 Forest workers abruptly discontinued through a simple mail since June 2023.

This program is free of cost to everyone: Aurovilians, New-comers, Volunteers, Guests, and people from around the Auroville area. The Language Lab has always been open to all and this program will be as well. Ever learnt a language but feel a bit rusty now? Come and revive it! All, including Guests, are welcome to join. Come share your language with others!

Our first full-length publication

We are delighted to share that our first full-length publication, 'From Resonance to Bonding' by Dirk Beckedorf & Franz Müller, is now available on Amazon! The book gives an in-depth explanation of the Alfred Tomatis method, its scientific basis, how and why it works, along with detailed case studies.

- Order through our website: <https://books.aurovillelanguagelab.org/>

You can access the detailed Table of Contents, as well as 2.5 chapters of the actual book for free here, before deciding to order through Amazon.

This book has information for a wide variety of professionals in different fields, as well as laypeople. For example, midwives, doulas, gynaecologists, as well as pregnant women, parents-to-be and recent parents, will find the chapter on 'Resonance in the Womb' full of incredibly fascinating information. It is an excellent summary of all the research since Dr. Tomatis' pioneering work in the early 1950s, on the development of listening in the womb.

For now, in India, it is only available as a Kindle e-book. You can use a free kindle app to access it (mobile, tablet or desktop). We know many of you have complained that it is not available as a paperback. We have great news : very soon, it will be! The last print sample is being vetted, and the paperback will be available in about two-three weeks!

Tomatis

There will be a short week-long break for the week of 13—18 May to enable the polishing of the tiles in the corridor. There are spaces available after that for both language & listening training programmes!

- Please contact 0413 3509932 or 0413 2622467 or email us at tomatis@aurovillelanguagelab.org to schedule your Listening Tests & Consultations. In case you wrote earlier but haven't heard back from us, please send us a reminder by email.

Looking for

Someone who can type in English! We have many case notes to type up which detail the progress made—especially by children—during Tomatis programs. The work would have to be done at the Lab. We need someone who can type, cares for people, and will respect confidentiality. We could definitely still do with someone to help with fundraising. And we always welcome volunteer language teachers.

The Language Lab is open

- Monday—Friday, 9am—12pm & 2—7pm
- Saturday, 9am—12pm & 2—5pm
- Location: International Zone, after Unity Pavilion & Pump House.
