#1061 A weekly bulletin for residents of Auroville 9 January 2025

Happy Pongal

Three powers of Speech that carry the Light in their front, . . . a triple house of peace,
a triple way of the Light. *Rig Veda*

He is born a seer with the mind of discernment; an offspring of the Truth,
a birth set within the secrecy, half arisen into manifestation. *Rig Veda*

Pondering

But the supramental change in its process carries us into less explored regions; it initiates a vision of heights of consciousness which have indeed been glimpsed and visited, but have yet to be discovered and mapped in their completeness. The highest of these peaks or elevated plateaus of consciousness, the supramental, lies far beyond the possibility of any satisfying mental scheme or map of it or any grasp of mental seeing and description... It would be difficult for the normal unilluminated or untransformed mental conception to express or enter into something that is based on so different a consciousness with a radically different awareness of things; even if they were seen or conceived by some enlightenment or opening of vision, another language than the poor abstract counters used by our mind would be needed to translate them into terms by which their reality could become at all seizable by us... As the summits of human mind are beyond animal perception, so the movements of supermind are beyond the ordinary human mental conception...

it is only when we have already had experience of a higher intermediate consciousness that any terms attempting to describe supramental being could convey a true meaning to our intelligence; for then, having experienced something akin to what is described, we could translate an inadequate language into a figure of what we knew... If the mind cannot enter into the nature of supermind, it can look towards it through these high and luminous approaches and catch some reflected impression of the Truth, the Right, the Vast which is the native kingdom of the free Spirit.

The Life Divine, Sri Aurobindo*

House of Mother's Agenda

(continued from last week)

I was asked for an illustration for H.; I saw the image, the Lord's face with a sardonic smile. And then, after last night's experience, this morning suddenly that expression of the face changed, and I saw the image of the true, the true sorrow of Compassion—I don't know how to explain it.... The sardonic smile changed: from sardonic it grew bitter, from bitter it grew sorrowful, from sorrowful it grew full of an extraordinary compassion....

(silence)

So we could say that Falsehood is the sorrow of the Lord. And that His Joy is the cure for all Falsehood.

Sorrow had to be expressed so as to be erased from the creation.

And sorrow is Falsehood—the Lord's sorrow, sorrow in its essence, is Falsehood.

So to live in Falsehood is to hurt the Lord.

It opens up horizons....

And His Joy is the cure for everything.

That's the problem seen from the other angle.

So, if we love the Lord, we cannot give Him cause for sorrow, and necessarily we emerge from Falsehood and enter Joy.

That's what I saw last night. It was all silvery. All silvery, silvery....

There was even the vision of how the vibrations were in the cells: vibrations that were silvery, sparkling, rippling, but very regular, and precise... (how can I put it?). It was the contradiction of Falsehood in the cells; like little flashes of silvery light.

But that [Falsehood] is the great obstacle, the extreme difficulty. It's something gluey which entered the creation and sticks to everything, and which has become a material habit too, because it's not only Mind that has Falsehood in it: there's Falsehood in Life, in Life itself. In the completely inanimate, I don't know.... Maybe it came with Life? (According to *Savitri*, the origin of Falsehood lies in Life.) But it's as though Unconsciousness, in order to go towards Consciousness, to return to Consciousness, had taken the path of Falsehood and Death instead of the path of Truth.

And Falsehood is this: the sorrow of the Lord.

I was asked for a message for next year, and things of that sort kept coming to me, so I didn't say anything. They wouldn't even understand, it's incomprehensible if you don't have the experience. And if you say just like that, almost dogmatically, "Falsehood is the sorrow of the Lord," it doesn't mean anything.

Or if you say it in a literary way, it's no longer true.

And if you said, "Falsehood is the Lord's way of being unhappy" (!) (*Mother laughs*), people would think you're not being serious.

Well. My children, I think it's time to go and do our work. I wish you a happy new year!

DIWALI & PONGAL BONUS DISBURSEMENT

Dear Trustees & Executives & Managers of Auroville Units/ Activities/ Services/ Projects,

The Bonus Act “[25 September, 1965.]—[An Act to provide for the payment of bonus to persons employed in certain establishments and for matters connected therewith]”.

Therefore, Diwali & Pongal Bonus disbursement can only be given to the staff of the Units/ Activities/ Services/ Projects with salaries below of Rs. 21,000/- per month and not to Aurovilians. Aurovilians are under the central maintenance policy and are not considered employees. This disbursement by some Units/ Activities/ Services/ Projects puts the Auroville Foundation Tax Exemption status in jeopardy.

If some of the Trustees, Executives & Managers of Auroville Units/ Activities/ Services/ Projects feel that certain Aurovilians merit an “incentive”, this has to be brought for prior approval to the FAMC, who will qualify it based on the turnover, expenses and profit (losses) of the Units/ Activities/ Services/ Projects under their 67% of the surplus. Keep in mind that any incentive paid attracts a GST of 18%.

All income-generating units will only use the maintenance module feature of the financial services to provide monthly maintenance and special incentives to Aurovilians and will not disburse any kind of bonus to Aurovilians.

In Her Service, Chandresh, Geeta, Margarita, Sathyanarayananji and Torkil

Passing On

MARCO FEIRA

Marco Feira passed away in his house in Sharnga community on 26 December 2024 at the age of 75. He had been suffering from pancreatic cancer.

Marco joined Auroville almost 30 years ago. His was a full and varied life, initially shaped by his love for the arts, later by his love for the spiritual. While growing up in Turin, Italy, he started painting and joined the Arte Povera movement, using everyday materials to create a new pictorial language. In the late 1960s he travelled to Afghanistan, Pakistan and India where he fell in love with the arts and antiques. His focus expanded and he became one of the first Italian dealers in Asiatic art and antiquities, running, by the end of the 1970s, a business with more than 20 employees.

India touched him in other ways as well. He started studying Indian philosophy and the Vedas, with his first book being one by Sri Aurobindo which, he said later, he hadn’t understood at all. Together with his wife Liliana, Marco discovered Auroville. After visiting Auroville for many years, they joined in 1997. Here Marco and Liliana started the fashion and jewellery unit Miniature—a name chosen as a living reminder to keep the production small.

Marco will be particularly remembered for his role in stimulating the arts in Auroville. Together with four other Aurovilians, he started the AV Art Service in 2010, aiming at supporting and developing the arts in Auroville. He stressed the importance of art for Auroville and was inspired by what the Mother had said about art:

“Art is nothing less in its fundamental truth than the aspect of beauty of the Divine manifestation. ... like a Yogi an artist goes into deep contemplation to await and receive his inspiration. To create something truly beautiful, he has first to see it within, to realise it as a whole in his inner consciousness; only when so found, seen, held within, can he execute it outwardly; he creates according to this greater inner vision. This too is a kind of yogic discipline, for by it he enters into intimate communion with the inner worlds.”

He was one of the founder editors of the occasionally-published magazine called MAGzAV, which focused on questions around what the new culture of Auroville was, how art could contribute to the building of the city, and how Auroville artists could foreground critical aspects of the budding values of the community.

Marco also curated many art shows, amongst which was the exhibition Transformation that was part of The Auroville Festival—City for “Transformation” at the India International Center, New Delhi, in September 2012. The exhibition, which showed works of Auroville artists, was a great success and led Marco to dream about a Museum of Modern Art in Auroville, which would host art that spoke directly to the viewer, who should experience ‘something’ and ask questions so deep that answers would have to be found at the spiritual level.

Cinema was another art form Marco loved. He brought to life the Cinema Paradiso in Auroville’s Multimedia Centre, showing films from different parts of the world, and he started the bi-annual Auroville Film Festival, a platform for movies made by people from Auroville and elsewhere. The experience led to exchange programmes with film festivals

in other parts of the world and to the decision to make film making part of the curriculum of some of Auroville's schools.

His focus on art was supported by his focus on Tai Chi Chuan. Marco had spent a year in a Zen monastery in Italy learning breathing techniques, concentration and meditation, which became part of his daily routine. In Auroville he studied Tai Chi Chuan as taught by The School of the Inner Way of Vlady Stevanovitch. He studied this form intensively and became a teacher himself, ultimately training between 20 and 40 people a year for more than 20 years.

Marco's remains were buried on 27 December at the Auroville Burial Grounds with many attending. Auroville salutes a wonderful man whose artistic insights, touch and initiatives will have a lasting impact on the city to come. Our warmest condolences go out to Liliana, Ambra, Alessio, Igor, Ramon, Diego.

OM, Krishna

REMEMBERING MARCO

A great friend of the late Giorgio Molinari, Milan's photographer and an Aurovilian, Marco also experimented with photography. He displayed an exhibition with pics from a baroque church and common life, a theatre of the absurd. Marco had mounted it on elegant satinated aluminium frames; he wished to donate them to Pitanga but, aerially moving by the wind, they indented the walls and this was the end of the adventure, alas.

A joyous occasion was an exhibition in Chennai to celebrate the (50?) years of the Italian Chamber of Commerce. Sauro had invited us Italian photographers: Giorgio, Marco, Pino and myself; it was interesting to see how different our photographs were, though we hailed from the same country. Next to us was a hall with war and slum photographs; I forgot the celebration and merged instead into the world's tragedy evoked by a Chennai photographer. How distant from what we Aurovilians, hosted in a super deluxe hotel with banquets hall and delicious food, presented! Inverting responsibilities? It was surreal.

Marco was a fine cinema critic and his choices showed the impassioned social commitment that characterised our Italian generation. Today, hardly anything of this remains.

THE LAND FUNDRAISERS

Annual New Year’s Card for 2025

Freely distributed at the Town Hall kiosk and at PTDC

The year 2025 is upon us! We, at the land fundraising team, once again take this occasion to create and share a New Year’s card to highlight Auroville’s inspiration and its profound goals of human unity and spiritual evolution. This year, we present images of the

*“If in the meaningless Void creation rose,
If from a hidden Power Matter was born,
If life could dwell in the unmeasured tree,
If green delight could rise unmeasured hence
And its laughter of beauty blossom in the flower,
If water could walk in rivers, nerves and cell
And thought rise in the grey matter of the brain,
And soul pass from its narrow through the flesh,
How shall the universe light not rise on earth,
And unknown powers emerge from Nature’s sleep?”*
—Savitri, Book II, Canto IV

*“A new creation from the old shall rise,
A knowledge incarnate shall grow,
Hearts engendered from love pervade the earth,
Firmness and peace their own absolute life.
A knowledge made shall speak at last,
The Supreme Consciousness on earth,
The Eternal’s wonder join the dance of Time.”*
—Savitri, Book II, Canto III

*With our greetings for 2025 and appreciation for
a year of growth and collaboration,
Love and peace to all who are engaged,
Acres for Auroville (AA) & Dream Home (DH)*

Matrimandir—the heart and soul of Auroville, and the manifestation of decades of dedicated commitment by Aurovilians and friends in support of these goals. We thank Auroville photographer and architect Lalit Kishore Bhati who has offered his photos for our card.

The cards are distributed for free at the Town Hall kiosk and at PTDC.

- **January 13: *Life After Life: A video documentation based on the research work and book Life After Life by Dr Raymond A. Moody.*** People who were clinically dead, speak about their out-of-body experiences and how they came back to life. Duration: 59min.

This film by Peter Shockey is based on the research by Dr. Raymond A. Moody involving thousands of people who experienced clinical death, and "went to the other side" and were subsequently revived.

Six people are talking about their personal out-of-body experiences, their journey to the other side, and their return. The causes of their near-death experiences (NDE) were: lightning, suicide, complications after surgery, double lobar pneumonia, multiple bee stings, and assassination by the KGB. They describe their experiences as *out of body*. They talk of *angels and ecstasy, soul travel, tunnel leading to the light, life preview and return*.

On the other side and in warm light and unconditional love, they often see their relatives or friends. Often, they see a panorama that consists of everything they ever have done in their lives, from their birth until the time they call death.

All who come back have a new value system. It is based on loving others and seeking love-based relationships. And they have no more fear of death. They know the importance of Love through experiences of unconditional Love and Wisdom on the other side.

Professor Dr. Raymond A. Moody has studied Philosophy, Medicine, and then near-death experiences for almost 50 years. He is widely recognized as the leading authority on near-death experiences, and it was he who coined the term. His groundbreaking book *Life After Life (1975)* inspired scientific interest in life after death. Raymond A. Moody trained hospice workers, clergy, psychologists, nurses, doctors, and other medical professionals in matters related to death, dying, grief, and recovery. He also promoted a sincere scientific understanding and perspective and a new consciousness about Death, Dying, and the Afterlife.

MARGAZHI VAIBHAV

Culmination Day Performance

Sunday, 12 January, 10:15—11:30am
@ Unity Pavillion

About 100 students from Auroville Schools have been chanting The Thiruppavai every morning from 16th Dec, a devotional practice during the month of Margazhi. The Tiruppavai are verses of the poet-saint Andal, and it is believed that they carry the entire essence of the Vedas.

On one of the days this year, an Aurovilian youth who is a trained Bharatnatyaym dancer was invited to perform for the students a choreography based on Lord Vishnu’s Dashavatar. The idea caught the fancy of the students coming regularly and along with their teachers, they decided to make their own choreography selecting a few Parsurams (stanzas) that they had been chanting. This is how the idea to hold a culmination day for the month-long commitment emerged.

We are delighted to invite you to the **Margazhi Vaibhav Culmination Day Performance**, a celebration of devotion, perseverance, and community spirit.

Join us as we appreciate our students’ dedication and immerse ourselves in the sacred sounds and timeless verses.

Dress Code: Traditional attire is encouraged, but all are welcome.

SERENITY HOUSE OPENS!

A New Home of Hope for Our Dogs

After months of dedicated effort, we are happy to announce the opening of the newly renovated Serenity House! Once a run-down, cage-like structure, this transformed space now provides a safe and beautiful home for 30 to 40 of our beloved dogs.

The building features six dormitories, each with access to its own spacious "Hope Garden." Auroville's Youth Centre and Youth Link helped us to build beautifully designed dog houses, which will be placed in each garden. One of them, filled with soft white beach sand, is for our paraplegic and paralyzed dogs to prevent injuries from hard or rocky surfaces.

This upgrade significantly enhances the well-being of our dogs and frees up vital space for rescue animals—victims of accidents and abuse who need urgent help.

Help Us Grow the Gardens of Hope!

To complete this transformation, we need your help! We envision lush, green spaces filled with trees and plants that provide shade and beauty. We warmly invite the Auroville Community to contribute by donating tree saplings, bushes, flowering plants, creepers, or any other vegetation to help turn Serenity House and its gardens of Hope into a verdant paradise for our furry friends.

We'll be celebrating this incredible milestone with an *Opening Day Party* soon, and everyone is welcome to visit, enjoy the company of our dogs, and see the changes firsthand.

- **If you'd like to donate plants or saplings**, please contact Arthur through WA Chat: 8122225266.

Thank you for supporting this journey of hope and healing!

LA MÈRE RACONTE (THE MOTHER TELLS)

French Practice

from classes given by the Mother at the Ashram

Thursday, 16 January, 4:30—5:30pm

@ Pavillon de France

The Mother gave classes in French at the Ashram of Pondicherry in the 1950s. These classes were recorded and gave rise to a book entitled "La Mère raconte". In these short stories, the Mother uses different registers of the French language to express her thoughts in a simple and figurative way. We offer a workshop for reading the texts contained in this book. The workshop is aimed at people who want to deepen their knowledge of French and the thoughts of the Mother. Participants must have a minimum knowledge of French.

The workshop, lasting one hour, will be held every Thursday at the Pavillon de France, from 4:30 to 5:30 pm.

Each workshop will consist of reading the text in French, understanding its vocabulary and discussing its meaning collectively. For sharing, everyone can use French, English or Tamil. The workshop will be led by Augustin, a volunteer at the Ashram who is fluent in Tamil and English and Jean Francois, a French teacher.

SAMBHAVNA

A documentary film in presence of film director Réjane d'Espirac

In French: Saturday, 18 January, 5pm

In English: Saturday, 25 January, 5pm

@ Town Hall—Cinema Paradiso

Duration: 52 min + Q&A with film director

Where to find the strength to live again after experiencing horror? Forty years ago, the Indian city of Bhopal, in Madhya Pradesh, became the site of the worst industrial disaster in history. On the night of December 2, 1984, a highly toxic gas leaked from a pesticide plant owned by the American company Union Carbide, killing thousands of people and causing cancer and chronic illnesses in hundreds of thousands more. For the past 40 years, these toxins have continued to pollute the surrounding soil and water, creating new health issues. After a few years, conventional treatments (primarily steroids, antibiotics, painkillers, and psychotropic drugs used in large doses over long periods) ceased to be effective. What could be done?

One man had an idea: to establish a clinic in the heart of the contaminated area that offers free treatment to victims using medicinal plants, yoga, and Ayurveda. Its name: **Sambhavna**, meaning "possibility." More than just a place for care and support, Sambhavna symbolizes the potential for rebirth after horror. Like a lotus blooming in the mud, it represents grace amid chaos. Its story serves as a living reflection on the kind of humanity we wish to cultivate. The documentary explores this story of **resilience and healing**.

"Touching and profound"—Indra Sinha, author of "Animal's People"

"The essence of real healing and love"—Farah Edwards, cofounder of Bhopal Medical Appeal.

Réjane d'Espirac, the director, will attend the screenings for a discussion and Q&A. *Vivekan*

Bhumilucis by Aurodeva

- 17—29 January,
- Tuesday—Friday, 2—5:30,
Saturday, 10—12:30, 2—5:30
- Opening: Friday, 17 January, 4:30pm

Bhumilucis or “Land of Light”, is a collaborative art project created by Auroville’s school youth. Using only Auroville earth & flora, nearly 100 students aged 4 to 14, have come together to craft a series of participatory art installations and earth-paintings with the help of curator Aurodeva.

The young artists, divided into groups, were tasked with a variety of responsibilities such as foraging and painting, or crafting our earth-based pigment: “Mud-Goo”. Individual groups then merged their efforts to the larger body of work, together creating *Bhumilucis*.

The project is a dialogue between the students and their home—a celebration of talent, unison, and belonging.

DIMMED BY DARK CLOUDS

Dimmed by dark clouds

The sun

Depresses not

Despises not

Dies not

With a shining smile

It dyes the clouds

In splendid colours

Knowing for sure

The dense darkness

Will be blown away

By the breath of wind

Or disperse by itself

When Nature changes

To another mood

WHAT WE NEED IS HERE

*Geese appear high over us,
pass, and the sky closes. Abandon,
as in love or sleep, holds
them to their way, clear
in the ancient faith: what we need
is here. And we pray, not
for new earth or heaven, but to be
quiet in heart, and in eye,
clear. What we need is here.*

OPEN LETTER TO ANURADHA MAJUMDAR LEGRAND

Dear Anu, you may be surprised that I call you “dear,” but I am addressing this open letter to Anu’s soul, which is truly dear to me—as is every soul embodied on this little planet. That said, I must express my surprise at a recent development. During the Special Talk on Good Practices at Auroville, held in Gujarat on January 3, 2025, you introduced yourself as “at present a member of the Working Committee.”

This came as a surprise for several reasons. First, your term as a member of the Working Committee officially ended on January 2024. Second, a few months ago, you announced your resignation from the committee, which itself seemed unusual since your term had already concluded.

Given these facts, I am puzzled as to why you publicly presented yourself as still holding this position. Could there be a valid reason I am unaware of? Was there a new selection process that reappointed you for another term? Or is there another meaningful explanation?

Additionally, I am curious about the continued signing of communications from the so-called committee by other former members—Srimoyi, Partha, and Arun—whose terms also ended alongside yours.

You have often spoken about the importance of realigning Auroville with its original purpose and ideals, including building the City at the Service of Truth. So, what is the Truth behind your statement?

In that spirit, I hope you will clarify the reasoning behind your statement, as it places you de facto as a representative of all of us. Transparency and integrity are essential to fostering trust and ensuring alignment with Auroville’s founding principles.

I trust you will agree that our actions and communications must reflect these values. Thank you for taking the time to address this matter. I look forward to your response.

Sincerely, Olivier, Revelation

PROGRESSING TOWARDS THE SUPRAMENTAL VICTORY

Here is just one of the Mother's Visions of Auroville from 64 years ago:

"It was the idea of an ideal city, the nucleus of a small ideal country, having only superficial and extremely limited contacts with the old world. One would already have to conceive (it's possible) of a Power sufficient to be at once a protection against aggression or bad will (this would not be the most difficult protection to provide) and a protection (which can just barely be imagined) against infiltration and admixture.... From the social or organizational standpoint, these problems are not difficult, nor from the standpoint of inner life; the problem is the relationship with what is not Supramentalised—preventing infiltration or admixture, keeping the nucleus from falling back into an inferior creation during the transitional period. ..."

I am constantly seeing images! Not images, living things—like answers to questions. A magnificent peacock was taking shape (it's the symbol of victory here in India) and its tail opened out, and on it a construction appeared, like this construction of an ideal place..."

<https://incarnateword.in/agenda/02/july-18-1961>

Fast-forward to the present Circa 2025...

Go out and about in the emerging City of Dawn and the surrounding districts and explore, engage... feel the swirling energies of seeming contradictory yet complementary progress. The ever-hastening Renaissance of Mother India is pushing Auroville to fully awaken to its *raison d'être*.

"A protection against infiltration and admixture..."

We altogether continue on, with the Supreme Divine Mother MahaShakti orchestrating the development of Her City of Dawn, amongst other very interesting goings-on. Matrimandir as Her Temple magnificently stands beside the central Banyan Tree as the Golden Beacon beckoning all receptives towards the Divine Manifestation of the new apex species the Supramental being.

For the curious non-initiates and confused:

Sri Aurobindo and the Mother as Avatars always reveal for a specific reason and purpose.

Envision a future-oriented Gurukulam, a car-free Garden City similar to a secured and well-managed university campus ++, the Greatest Seat of Knowledge for the Integral Supramental Yoga, which includes the study of all the inner and outer knowledge and experiences humans have accumulated acting as a living experimental center in preparation for the advent of the new species, to be manifested in a few generations' time. So the informed systematic preparation is crucial, which has always been the Agenda even before Auroville's inception in 1968. May we always remember. This is the unique particularity of this City of Dawn, Cradle of the Supramental being. It is no coincidence that Auroville has evolved under the Ministry of Education and within Mother India the Guru of the World, now in an unstoppable Renaissance. Even the theme of the recent visit to Auroville of Mother India's President Droupadi Murmu is titled "Aspiring for Supermind (Supramental) in the City of Evolving Consciousness". Connect the dots.

Thus Auroville's purpose is for a totally New Supramental World. This is crystal clear in our integrated Core Ideal Vision-Goals:

<https://auroville.org/page/core-documents>

We are not invited here just to live out the same old human ways.

Surrounding the City of Dawn will still be the buzzing mental-human world. But once inside the Protected City it

should be a whole different vibes and experience, acting as a transformative contagion for the whole Earth.

Again from the Mother:

*"Humanity is not the last rung of terrestrial creation. Evolution continues and man will be surpassed. It is for each one to know whether he wants to participate in the advent of the new species. For those who are satisfied with the world as it is, Auroville obviously has no *raison d'être*."*

<https://incarnateword.in/agenda/7/september-21-1966>

There are, as usual, the old world forces averse to this Original Radical Ideal of our Avatar founders who have and are influencing unawakened humans here in Auroville, vehemently resisting change and creating disharmony and chaos, which is exactly what the ongoing evolutionary battle is all about. It is high time they are courageously faced, tackled and rejected head on, faithfully supported by the easiest and most joyful Sunlit Path of Bhakti to the Supreme Divine Mother MahaShakti.

The Kurukshetra War of the Bhagavad Gita is as always an excellent reference in understanding this Divine Play and making a conscious choice for the New Supramental Dharma. Sri Aurobindo's Essays on the Gita is a must guide for all aspiring willing servitors and Hero Warriors of the Divine Consciousness-Force:

<https://incarnateword.in/cwsa/19>

"Oohlala!" is an apropos joyful remark as we observe and experience the intensity of the current upward push, another renewed and reinvigorated consolidation phase in the progressive march towards the Supramental Victory.

NADA YOGA

Nada Yoga is a practice of concentration known from Hinduism as well as Buddhism which consists of fixing attention on a sound that can be heard inside the ears and head. It is an ancient art that uses sounds and tones to create inner transformations and create a greater sense of unity.

- **Sunday:** focused on the soul (the divine) (Mantras, overtones...)
- **Wednesday:** focused on energy (bijas mantras, overtones (throat singing), harmonics (throat singing mixed with the nose, head vibrators), kotodamas (Japanese vibrational chants and reiki).
- **Friday:** focused on beauty, powerful emotion (Native American energy).

Jam possibilities. I can lend around twenty instruments (djembes, shamanic drums, clapbox...)

You can come with your stones and crystals to recharge them using the giant Tibetan bowls.

Watsu® & Meditation with Dariya

- 16—17 January, 8:45am—6pm, 15 hours

Meditation is an important tool for listening, accepting and knowing ourselves, as well as becoming more intuitive towards others. In our understanding, the purpose of meditation is to cultivate presence and peace of mind, enabling us to connect with our unique essence and the world around us. It also encourages development of our intuition and perception through the heart, complementing the rational mind. This can help us make choices from a deeper place. Essentially, meditation helps in our personal growth and enhances our ability to deeply listen to and be fully present with the person we float during a Watsu session.

- **Prerequisites:** Watsu Basic

The focus on slowness, silence, love, and compassion, as well as the expression of emotions, allows for a deeper and more authentic connection between the giver and receiver, helping them explore their oceanic body and consciousness.

OBA 2 techniques will be reviewed and refined under supervision, while new OBA 3 techniques, both above and below water, will be introduced to create a seamless flow of movement. The deep and intimate nature of this bodywork can evoke emotions, necessitating a safe space both in water and on land for sharing and acknowledging these feelings. Each class is divided into several segments focusing on aspects such as pronunciation, tuning the ear to various accents, fluency in conversation, basic grammar, reading comprehension, idiomatic expressions, and sentence construction. The lessons make use of poetry, film, song, and quiz to allow an easy assimilation of the language. Enquire for timings.

New Sanskrit Course on Sanskrit Grammar, Vedic & Classic

Introducing a text-oriented Sanskrit method for spiritual seekers. For the past five years, Nishtha developed a systematic Sanskrit grammar that from the beginning incorporates the earlier Vedic grammar along with that of the later Classical period. This method is especially meant for students that are interested to study the main source texts of the Indian spiritual tradition, from the Rig Veda via the early and later Upanishads to the Bhagavad Gita.

Some highlights of the introductory sessions will be

- appreciating the historical background of the Sanskrit language by looking at the rich Vedic contribution to Sanskrit grammar
- introducing the first paradigms of verb conjugation and stem declination by the complete grammatical analysis

of the much-known shlokas "sarveṣāṃ svastir bhavatu", and "sarve bhavantu sukhinah"

- study of basic Sanskrit pronouns (Sa, Sā, Tad, Tvam, Aham) with their subtle psycho-spiritual application in text-samples from Veda, Upanishad and Gita
- proper metrical recitation of the Vedic poetry
- a thorough explanation of what is called the Vedic accent with many text-samples.

This class takes place once a week during the free evening sessions.

When Kishtaya is punished for a petty theft and absconds from the place, Lakshmi is left alone to fend for herself... Shyam Benegal creates a sublime and provocative examination of hypocrisy, economic disparity, and the social status of women in Ankur. The film was highly acclaimed and went on to win 43 prizes including the Golden Bear at the 24th Berlin Film Festival.
