#994 A weekly bulletin for residents of Auroville 28 September 2023

○ Flame, ○ Wine, your force has become A perfect path of the Truth has come into being for our journey to the other shore beyond the darkness.

○ Truth-Conscious, be conscious of the Truth, cleave out many streams of the Truth.
I purify earth and heaven by the Truth.

Rig Veda

Pondering

But if there is a self-existent Reality of which our existence here is a result, then there must be a truth of that Reality which is manifesting, working itself out, evolving here, and that will be the significance of our own being and life.

The significance of our existence here determines our destiny: that destiny is something that already exists in us as a necessity and a potentiality, the necessity of our being's secret and emergent reality, a truth of its potentialities that is being worked out; both, though not yet realised, are even now implied in what has been already manifested.

House of Mother's Agenda

(continued from last week)

Accepting life, he [the seeker of the integral yoga] has to bear not only his own burden, but a great part of the world's burden too along with it, as a continuation of his own sufficiently heavy load. Therefore his Yoga has much more the nature of a battle than others'; but this is not only an individual battle, it is a collective war waged over a considerable country. He has not only to conquer in himself the forces of egoistic falsehood and disorder, but to conquer them as representatives of the same adverse and inexhaustible forces in the world. Their representative character gives them a much more obstinate capacity of resistance, an almost endless right to recurrence. Often he finds that even after he has won persistently his own personal battle, he has still to win it over and over again in a seemingly interminable war, because his inner existence has already been so much enlarged that not only it contains his own being with its well-defined needs and experiences, but is in solidarity with the being of others, because in himself he contains the universe.

Will the end of the work ever be reached? We might conclude that the subconscious is an endless sewer—the rishis themselves called it 'the bottomless pit'—and that if we have to wait for it to be totally cleansed before we can achieve a supramental transformation, we might have to wait for a very long time, indeed. But this is only an appearance. The birth of a new individual does not bring with it a new load of subconscious or unconscious material; that individual merely draws from the common source, repeating the same vibrations which circle endlessly through the earth's atmosphere. Man cannot create new darkness any more than he can create new light. He is only an instrument—whether conscious or unconscious—of the one or of the other (though most often of both). No new vibrations can be brought into the world except those of the superconscious Future, which gradually become the present ones and dissolve or transmute the vibrations from our evolutionary past. Today's Subconscious and Inconscient are obviously less subconscious and unconscious than they were two thousand years ago, and we have all paid to bring about this result. This descent of the Future into the present is the key to the transmutation of the world. Yoga is the process of accelerating the Future, and the pioneer of evolution is the instrument who brings down more and more powerful vibrations. The task of the seeker, therefore, is not so much a negative endeavor of scouring the Subconscious as it is a positive one of calling the light and bringing down the vibrations of the Future to accelerate the cleansing or purification process. This is what Sri Aurobindo calls 'descent,' which is the main characteristic of his yoga, as has been said earlier. If there is a descent in other Yogas, yet it is only an incident on the way or resulting from the ascent—the ascent is the real thing. Here the ascent is the first step, but it is a means for the descent. It is the descent of the new consciousness attained by the ascent that is the stamp and seal of the sadhana... here the object is the divine fulfilment of life.³⁸² When Sri Aurobindo speaks of 'descent,' he does not mean a sharp and quick movement upward followed by a sharp and quick movement downward. He does not mean coming down for a brief

stint of hard labor to sweep up the dust; he means that the bottom must actually cease to be the bottom. To take an example, a very prosaic one—and as one soon learns, the transformation process is prosaic enough—we may be shopping at the grocery store amid a rather opaque and gray humanity, or we may be visiting at night rather noxious regions of the subconscious, yet do both things with the same intensity of consciousness, light, and peace as when we are sitting alone in our room, eyes closed, in deep meditation. This is what is meant by 'descending.' No longer is there any difference between the high and the low; both have become equally luminous and peaceful. Too, this is how the transformation works on a world scale, for the oneness of substance in the world works both ways. We cannot touch a shadow without touching all the corresponding shadows in the world; but the opposite is equally true: we cannot touch a light without affecting all the surrounding shadows. All vibrations are contagious, including the good ones. Every victory is a victory for all. It is all the same Being! exclaimed the Mother. There is but one consciousness, one substance, one force, and one body in the world. This is why Sri Aurobindo could say of the Mother and of himself: If the Supermind comes down into our physical, it would mean that it has come down into Matter and so there is no reason why it should not manifest in the sadhaks [disciples].

The higher the seeker reaches, the wider his access to the regions below—the Past he can come into contact with is exactly in proportion to the Future he has discovered—and the greater his capacity for collective transformation. Until now, the only power brought down was a mental power, or overmental at best, which was incapable of touching the bottommost layers, but now that a supramental or spiritual power has descended into the earth-consciousness through Sri Aurobindo's and the Mother's realization, we can conceivably expect this supreme Future to touch the supreme Depths and hasten the cleansing, that is, ultimately hasten the evolution of all humanity. Yoga is a process of accelerated evolution, and the progression is geometric: *The first obscure material movement of the evolutionary Force is marked by an aeonic graduality; the movement of Life progress proceeds slowly but still with a quicker step, it is concentrated into the figure of millenniums; mind can still further compress the tardy leisureliness of Time and make long paces of the centuries; but when the conscious spirit intervenes, a supremely concentrated pace of evolutionary swiftness becomes possible.* We have now reached that very point. The convulsions of the present world are undoubtedly a sign that the descending Pressure is increasing and that we are approaching a true solution.

Passing On

HASI GRANDCOLAS

This is to inform the community that Hasi Grandcolas passed away at Pondy's Nallam Clinic in the early hours of Tuesday, 19 September, due to heart failure.

Hashi had been in the Ashram in the early seventies and remained dedicated to Sadhika throughout her life, was a yoga teacher and painter, and a good friend of many in Ashram, Auroville and the Auroville International world.

The Sri Aurobindo Ashram takes care of her last rites.

Be well, dear Hashi, and see you again!

OM

LEO MICHAEL BOSEMAN

Leo, who spent much of his childhood in Auroville and Pondy, had come back a year ago and started the entry process of a returning Aurovillian.

On Friday afternoon of 22 September Leo met with a road accident, was rushed to Jipmer and underwent surgery. He was then shifted to the I.C.U. ward where he passed away on Saturday, 23 September at 11:10pm.

As per the wishes of his sister Malaika, the cremation was to take place in the afternoon of Wednesday, 27 September at the Karuvadikupam cremation grounds in Pondy, as arranged for by the family that cared for them as children.

Until that time, Leo's body remained in Farewell where those who knew him were able to bid him goodbye.

May he rest in peace. OM

Auroville Matters

THE TREES WILL BE THE LUNGS OF THE CITY

Most scientists and people agree that humanity is facing a crisis which could be the last act for the species, homo sapiens; Climate change. Cities all over the world are looking for an answer to the immediate problem or rising temperatures. After extensive research Singapore concluded the fastest and cheapest way to cool the city in light of rising temperatures is to plant forests.

Someone has told the Auroville Land Board to sell or exchange the forests in the southern part of Auroville. In 1971 the community asked Mother for permission to build a Greenbelt around the Galaxy which she approved, and said 'The trees will be the lungs of the city.'

These forests on the south side of Auroville, not only help to protect Auroville from the crushing heat we experience, but also provide a very nice buffer between Pondicherry and the airport which is expanding to become an International Airport around which there will be a lot of development.

It seems very stupid to give away these valuable forests, not only valuable to Auroville, but valuable to humanity as a whole, which represent the life work of a team of Aurovilians who have spent the last 40-50 years of their lives nurturing these forests, often investing their personal family funds to do this very big and very beautiful work.

Proposed exchange of 22 acres of forests lands located in Forecomers and Ravena for Poramboke land in the City Centre area

So I don't know who authorized the Land Board to divest Auroville of this major asset but I hope they can be persuaded to reconsider. I hope everyone who reads this will send a letter to the landboard@auroville.org.in, the iac@auroville.org.in, Jayanthi secretaryavf@auroville.org.in, ravi@auroville.org.in to ask them to please not divest Auroville of this major asset.

HEART WEAVING ANNOUNCEMENT

Dear Friends, as some of you might remember, *Heart Weaving* was started in December last year in an effort to deepen our capacity for dialogue in Auroville and to be able to truly listen to each other across differing perspectives and opinions. The process was anchored by Raghu Ananthanarayanan and a cohort of nearly 30 Aurovilians & Newcomers had chosen to be a part of it. Over the last ten months we have been exploring the *Samudra Manthan*/The Great Churning and enquiring into how this might be playing out inside each of us and as a result in Auroville as well.

Heart Weaving is primarily a space to support and nurture practice. In the spirit of which, some of us have also made small attempts at enabling deep dialogue and building bridges and brought our learnings and challenges back to the group for everybody to learn from. We are now ready to expand the circle and bring new members into the process. Any long term resident of Auroville, aspiring for harmony and truly keen on serving The Mother's Dream is most welcome to be a part of the journey. Kindly get in touch with us by **4 October** if you feel called to be a part of *Heart Weaving* going forward. More details and next steps would be shared directly with the friends who get in touch.

CONSCIOUS:

Fulfilling our Higher Evolutionary Potential

Monday, 2 October 2023, 4pm, at Savitri Bhavan.

Duration: 66 min.

The film by *Integral Inspirations* in California is inspired by the work of Sri Aurobindo, the Indian thinker and yogi, and his spiritual partner, Mirra Alfassa known as The Mother.

It attempts to answer the questions: What if consciousness on earth is evolving? What if we can participate in the evolution of our own consciousness? What if an evolutionary leap in our consciousness is essential, if we are going to survive?

Haridas Chaudhuri, approved by Sri Aurobindo as a representative of the Integral Yoga in the USA, indicated that 'Another breakthrough in evolution is coming when, out of the rational consciousness of man, a new type of consciousness, a higher consciousness is going to emerge.'

Other sadhaks and seekers of the Integral Yoga expressed their opinion on these issues as well, including Shradhdhavan, Stanislav Grof, Fariba Bogzaran, Brian Thomas Schwimme, Michael Murphy, Sean Kelly, Larry Seidlitz, and Bahman Shirazi.

The film ends with the powerful appeal by Mirra Alfassa, The Mother: 'The world is preparing for a big change. Will you help?'

Integral Inspirations founded by Alan Baiss and Joseph Garcia is a grassroots organisation comprised of California Institute of Integral Studies alumni and many others working in collaboration to integrally manifest the inspired dreams of humanity and for establishing Life Divine on Earth.

MONTHLY TRANSPARENCY REPORT SEPTEMBER

As part of our commitment to transparency, we are happy to present our report for September.

Overview

- New admissions: 21
- Dogs dumped at the shelter: 11
- Rabies suspect cases rescued: 3
- Parvo Virus cases rescued: 0
- Canine Distemper dogs rescued: 1
- Rescue dogs and shelter dogs deceased: 4 (3 shelter dogs, 1 rescue)
- Successful adoptions: 6 (total 58 since April)
- Dogs rehabilitated and released post-treatment: 4
- Vaccinations administered: 15 adults, 5 puppies (Rs. 260 per vaccination, puppies Rs. 389)
- ABC shelter dog sterilizations: 23, 14 female, 9 male (Rs. 36,900 total costs!)
- Deworming: 19 doses

Donations

This month we did not manage to receive enough donations to fully cover our running costs of more than Rs. 3 lakh a month. We received Rs. 241,194 in monetary contributions which includes Rs. 50,000 funds from BCC.

Milaap Fundraiser—Help Us to Build 30 Dog Houses— Our fundraiser to construct individual dog houses for our dog population to shield them from the coming monsoon rains has so far only achieved 25% or Rs. 30,325 of the Rs. 1.2 lakh donation goal. Still, we have a few more days until October 5th to hopefully turn this fundraiser into a success to keep our dogs dry during the rainy season. Please help us to raise the necessary funds either through Milaap Donation Gateway

- <https://milaap.org/fundraisers/support-auroville-dog-shelter-3/> or through your donation to our **FS Account 251391**

Donations in kind

We are very grateful that our Thursday donation pick-up drives continue to be a resounding success. As we have many small puppies in the shelter and only inadequate housing facilities, we rely on donations of cloth, cardboard, and paper to keep them warm and alive through the monsoon season. Several Aurovilians have contributed and donated to us a used PC, monitor, and even a printer so that we finally have an office system to be able to host electronically our dog database and inventory. We are deeply moved and grateful for the generosity of fellow dog lovers. Thank you very much.

Expenditures

- **Animal Food:** This month we fed our dogs: 1,600 kg of rice, 1,950 kg of chicken, 50 kg of beef, 200 kg of pedigree, and 700 eggs, supplemented with donated food with a total cost of Rs. 1.1 lakh. We still have a lot of small puppies to feed which requires expensive milk powder. Thanks to our special feeding program almost all of our dogs have finally regained their perfect weight and their health has improved a lot. If you want to contribute, why don't you sponsor a ONE-DAY-FOOD-PARCEL for our dogs for Rs. 3,500? It would make our dogs very happy!

- **Animal Health:** We paid in September Rs. 92,838 on necessary medicine and supplementary syrups which includes a huge shipment of 500 bottles of rABC for which we had raised the funds last month to cure anemia in all our dogs. Additional five blood tests for a total of Rs. 5,000 have been conducted for several dogs so that we have the medical data necessary to evaluate the result after one month of treatment against anemia. This month we were able to perform ABC surgeries on 23 dogs and we spent Rs. 36,900 for sterilizations. Sterilizations are costly but very important, please support us! We have applied 20 vaccinations for a total of Rs. 5,845

- **Staff Costs:** Veterinary Salary, workers, staff members, and animal handlers amount this month to Rs. 91,000

Rabies instant testing kits

We are now able to conduct instant post-mortem rabies testing using brain tissue samples from deceased rabies suspect dogs. This new testing method provides initial results with a 70%—80% accuracy rate within a matter of minutes. End of this month, we received two dogs from Bharat Nivas that tested positive for rabies. These dogs were infected during the Literature Festival end of August by other rabies dogs in the area, some of whom we were able to catch. In light of the ongoing presence of rabies in Auroville, we are seeking to acquire immediately 20 instant rabies testing kits. These kits are only available in packs of 10 tests, with each test priced at Rs. 600. Therefore, we kindly request the support of the AV community to help us raise Rs. 12,000, which will enable us to purchase these crucial instant tests. Our FS account is 251391

Change of Executives

In light of Lore's expressed desire to pursue her studies towards becoming a veterinarian, she has decided to step down from her role as executive of the Auroville Dog Shelter. We extend our appreciation to Lore for the unwavering passion and dedication she has poured into the care and welfare of our beloved dogs. We wish her the very best for her future! At the same time, the team is delighted to welcome Mar Silverio Pardo as the new executive of our shelter.

New Auroville Dog Shelter

This month we received a surprise inspection visit from the Animal Welfare Board of India (AWBI). This inspection was conducted by the same members who had previously cited numerous violations of guidelines and regulations during their last visit in March 2023 while the former IACC management was still in place. This visit from the AWBI followed another inspection conducted by the Department of Animal Husbandry just two weeks prior. We are pleased to share that both recent inspections have yielded the most favorable outcomes imaginable. In just five months our team has shown that positive change is not only possible but achievable. Moreover, it was acknowledged by the inspection teams that the shelter has not only met but exceeded the minimum government-mandated standards and regulations. We have received informal indications from both inspection teams that they intend to recommend financial support in the form of grants, in alignment with the AWBI and the Department of Animal Husbandry guidelines, to assist in the construction of the new Auroville Dog Shelter.

Auroville Dog Shelter Fair

To celebrate the successful first six months of the Auroville Dog Shelter and to generate funds for the construction of the new dog shelter, we are excited to invite everyone to join us for the first-ever Auroville Dog Shelter Fair, scheduled for Sunday, October 15th. Stay tuned for more details, and look forward for an exciting event!

We thank you for your continued support!

BALI
adiShakti
LABORATORY FOR THEATRE ART RESEARCH

Sri Aurobindo Auditorium, 30 September, Saturday, 7pm
Duration: 1 hour

Adishakti's Bali is a retelling of the various events that lead up to the battle between Bali and Ram, and eventually, the death of Bali. The play explores the notion of right or wrong and how it may change when each and every character is given an opportunity to voice their thoughts and opinions. Here, Bali's death is placed in the center and a personal take is presented that will enable us to transition seamlessly back and forth- from the epic to the Every day and vice versa. The play presents powerful moments through alternate and opposing points of view of Bali, Tara, Sugriva, Angadha, Ram, and Ravan based on their own ethics and contexts.

The play gives its artiste and audience a space for introspection—to take a step back and detach ourselves from our dominant ideologies and rigid identities to explore other perspectives. An emotional and energy high through the 70-minute performance.

SUPPORT NEEDED

CREEVA stands for Center for Research, Education and Experience in the Visual Arts, the inspiration of Aurovilian Audrey Wallis Taylor. Audrey personally financed Creeva during her lifetime.

Since Audrey's passing, a small group of artists have united to continue CREEVA, as for years many classes have introduced students to the joy and self discovery of the visual arts.

We are in need and would deeply appreciate your financial support to FS #252422.

YOUTHLINK MATCHING DONATIONS CAMPAIGN

YouthLink has been provided the amazing opportunity to raise funds through a matching donation campaign. This means that whatever donation you make between now and December gets doubled!

So you may be asking yourself, what is YouthLink?

We are a diverse group of youth from Auroville who work towards creating a positive impact in Auroville. We largely cater to the youth of Auroville (ages 16-30), and work towards providing opportunities and experiences. Our main scopes of work are to empower, integrate, and connect young people through our educational workshops, integration programs, and community gatherings. We create opportunities for links within the community that we believe should go together; such as teachers to students, initiatives with similar scopes, work opportunities with job seekers, and people who can support one another; such as mentors to mentees or newfound friendships.

Our team is ever-growing and evolving. Currently at 10 members, we are a diverse and proactive community with a common mission and intentions which enable us to work efficiently and harmoniously.

We are also actively improving our organizational structure in order to maintain and increase our efficiency and harmony, experimenting with different methods of decision making, non-hierarchical structures, and management of responsibilities. Our current method embraces the values of self motivation and encourages proactive responses, providing our members the opportunity to explore self discipline and growth, while retaining a macro perspective of our society and the world.

So how can you help, and why?

We currently receive a budget from BCC (4 maintenances plus 5,000Rs budget), however it only covers approximately one third of our monthly expenses.

Our hope is that our matching donation campaign can collect enough money for these maintenances, so that YouthLink can continue to offer free programs. We also believe that YouthLink currently serves a secondary purpose of being an informal training center, for the organization produces youth that are well connected within Auroville, have a strong understanding of Auroville's structures (both social as well as organizational), and are proactive and vibrant, both as individuals and in teams.

And we believe that we can still do more. Every day there are interesting offers and opportunities of collaboration

that find us from inside and outside Auroville, as well as ideas from our team. We currently find ourselves not having the time and space to fully concentrate on all the avenues we could explore, hence we are also looking to expand the team in the near future, moving into avenues such as intensive courses and vocational training.

When you donate to YouthLink, you will be providing a team member the opportunity to develop capacity and grow through work, and in extension be offering invaluable programs to the Auroville community as well, such as safety and boundaries workshops, first aid courses, and Auroville introduction programs; which all work towards creating a safe environment for our youth to grow up and to continue the experiment of human unity and collective living. We are constantly researching and communicating with the community to find which areas to focus our efforts!

Please consider supporting us on our journey to shape the future of Auroville through your financial means!

- You can find more information about us on our website: youthlink.org.in or visit our office at Town Hall, under Le Morgan (open to visitors: Monday to Friday, 10am—12pm).
- Please consider supporting us through Financial Service account: 251048 YouthLink
- Or through unity fund, [link provided on our website](#).

Remember, with each donation, double the impact! :)

SUPPORT

Accessible Auroville Public Bus Service

Accessible Auroville Public Bus service started in 2016 with help of an Italian donor, who contributed to purchase a public bus to Auroville. Since 2016, we have received good support from Aurovilians, guests and all. The service self-sustained by collecting contributions from the bus users to cover the running expenditures. We were supported by the AVI Canada to cover the yearly maintenance like, Insurance, Fitness Certificate, Yearly Maintenance of the vehicle. Since the covid-19, the users of the bus have reduced and it became hard to cover the running cost of the bus. Therefore, we often request help from the community to support. We tried different options to increase the bus users but still no progress. Only during the season, the bus is filled with people. So, it shows that most of the aurovilians are willing to use the individual vehicles to visit Pondicherry, other than using the public transport.

We do not get any financial support from the BCC for our monthly running cost or yearly maintenance. We tried a few times with BCC to support the public transport in Auroville to avoid an increase of individual transports, taxis, etc.,. It was never accepted by the BCC since 2016.

Therefore, we invite Aurovilians, New Comers, Volunteers and Unit workers from Pondicherry to use this service to support the public transport in Auroville. While increasing the number of users, the service will sustain itself without any financial crisis. So far, the service could function because the financial gaps were generously covered by advances given by Auroville Vehicle Service, but it cannot continue.

Let us join together to reduce the carbon footprint and the traffic around us.

By supporting public transport, you could have a safe Journey, reduce the carbon footprint and save money.

Last week, we took an advance of a lakh rupees to cover the annual maintenance of the bus (Repainting the vehicle, renewal of bus insurance, mechanical work, tyres replacement etc.,). We need to pay back this amount to Auroville Financial service in a month. Therefore, we kindly request you to contribute small or big to cover the loan amount.

- For donations Avbus A/c No: 251675

Details of works to be done

- Re-Painting of Bus—Rs.15,000
- Tinkering work—Rs. 11,000 (Body + flooring + rear door)

MAATRAM NEEDS SUPPORT

Maatram is moving to its new premises in Arka. To make this space conducive, functional and inviting for our work in psychological health and counseling, and to create more therapy rooms, there is a need for some construction/civil work to be done.

As we do not generally receive direct payment/contribution from Aurovilians, Newcomers and volunteers for our services, our available funds are sufficient only for our routine expenses. For this extra construction work in setting up the space, we are reaching out to the community for support. If you align with the cause and our work, and would like to support us, we would be grateful for any contributions to support this work.

- The amount can be transferred to A/c no. 240001 Unity Fund with, 'For Maatram' in the description.
- If you have any more questions, please email us on maatram@auroville.org.in.

ONE'S SPIRITUAL JOURNEY, a call to residents

Since 'To be a true Aurovillian' requires one to first search for our Inner Being, one could wonder what this really means.

For a lot of people, finding this 'Psychic Being' remains a rather vague and unknown goal that we might reach one day or not.

Encouragingly, many among us, and not only elders, believe that this new vehicle for the Soul isn't just an out of reach abstraction but indeed it is very concrete and knowable, although not easily distinguishable from the other parts of our being.

Also, although the present situation in Auroville does not seem to provide the circumstances to get close to this secret part of ourselves, there is also the acknowledgement from a few that they have consciously witnessed their spiritual part growing within them.

It would be helpful to those who do not know how to start this quest, or having started long ago still struggle to distinguish clearly in their behavior what belongs to the ego and what belongs to the Psychic Being, to gain more clarity on the concrete aspects and practicalities, with the lived experience of their more advanced companions on this spiritual journey.

Would you be willing to share your progress and insights with us through a recorded interview?

No quotes, no lectures! Just looking inside and share with us, perhaps with the help of the possible following questions.

- Are you in contact with your Psychic Being? How does it manifest?
- What does it imply in your daily routine?
- Did you have to develop certain abilities to do this?
- Could you share with us a significant moment that happened in your quest?
- What about the traps on your path?

We would like to make 10-minutes audio-recordings of these responses. These will then be collected and shared later, with your prior consent, to the community through a booklet or podcast. Could also be envisioned later to organize talks on the topic.

- If you wish to contribute, please, send an email to dan.auroville@gmail.com

I thank you for your collaboration, Dan

ONE CANNOT STOP

Why can't one stop in the transitional human stage?

Here are Sri Aurobindo and the Mother:

- <https://incarnatetword.in/cwm/09/19-march-1958>

Remember, 29 February 1956 and subsequent Supramental descents have already happened and intensely hastened transitional transformations are happening everywhere. So the Supramental emergence is now unstoppable, however one wants to believe otherwise.

*'And the thing is DONE.'*¹

*'The change IS DONE.'*²

*'It is DONE.'*³

The best choice is to take the easiest and most joyful Sunlit Path of Surrender to the Divine, which obliterates the ego. This is to save you from all the psychological-emotional-physical sufferings resulting from the still ongoing but futile collective resistance to change of the old crumbling perverted mental world.

And no one else can make that consenting choice for you. That conscious choice must be yours and yours alone. Go within...

Om Namō Bhagavate

• Q&A on the Great Cosmic Play

How to rise beyond being a mere puppet of cosmic forces?

'Every standpoint, every man-made rule of action which ignores the indivisible totality of the cosmic movement, whatever its utility in external practice, is to the eye of spiritual Truth an imperfect view and a law of the Ignorance.'

Even when we have arrived at some glimpse of this idea or succeeded in fixing it in our consciousness as a knowledge of the mind and a consequent attitude of the soul, it is difficult for us in our outward parts and active nature to square accounts between this universal standpoint and the claims of our personal opinion, our personal will, our personal emotion and desire. We are forced still to go on dealing with this indivisible movement as if it were a mass of impersonal material out of which we, the ego, the person, have to carve something according to our own will and mental fantasy by a personal struggle and effort.

*This is man's normal attitude towards his environment, actually false because our ego and its will are creations and puppets of the cosmic forces and it is **only when we withdraw from ego into the consciousness of the divine Knowledge-Will of the Eternal who acts in them that we can be by a sort of deputation from above their master.** And yet is this personal position the right attitude for man so long as he cherishes his individuality and has not yet fully developed it; for without this view-point and motive-force he cannot grow in his ego, cannot sufficiently develop and differentiate himself out of the subconscious or half-conscious universal mass-existence.'* **Sri Aurobindo**

VOLUNTEERS REQUIRED

Volunteers are indeed required, on another level...

Refocusing from an Aurovillian brother's sharing wherein the Mother states:

*'Keep this attitude—never side with anybody nor take up any personal quarrel—think only of the Divine Peace, Harmony, Light and Happiness and become more and more their purified and quiet instrument.'*¹

The advice of the Mother not to take sides must be fully understood in the context of being instruments for the Supramental transformation. These fully conscious, totally surrendered instruments to the Divine Consciousness will undergo a psychophysical transformation, an intense transmutation process that may happen in one's lifetime or not, that will eventually result in the Divine Manifestation of the new apex species the Supramental beings that will have a Direct Will over matter-life-mind (prakriti) ushering in a Life Divine on Earth.

These petty quarrels happening all over Earth are still the workings of the old gross mental-vital cosmic forces pitting their human puppets against each other as either for fodder or entertainment.

Not that petty actually as the level of brutality of the pain and suffering inflicted at each other, on other living, sentient beings, even to one's self, are appalling horrendous. The insanity has rendered most humans numbed and desensitized, zombified to say the least. This is crystal clear, obvious to the superconscious and cannot continue.

And so it is not just a 'quarrel', but The Great Cosmic War. The Supramental Avatars Sri Aurobindo and the Mother came to usher in the end of the Reign of Mind. Even leaving us all the revelatory instruction manuals to continue on with the Supramental transformation and an Auroville as a collective sanctuary, a Deva Sangha in the making. One may note how perfect the timings of events and circumstances were since the Avatars' births, as the Earth would have been obliterated by World War I and II and the cold nuclear war if they were not mitigated and prevented. The threat is not yet finished as now we have entered the weaponry age where lasers, higher frequencies of the electromagnetic spectrum, AI and robotics are used, Star Wars magnitude.

One may ask why these monstrosities need to happen. The fact is that whatever is happening is happening, and we have to proceed from that. With the terms 'Eternal' and 'Infinite', 'Absolute' and 'Relative' to describe the Indescribable, it is therefore obvious that in a multidimensional cosmic existence of limitless possibilities, all possibilities must emerge in the full spectrum of dark and light.

Well, something has to compel a few humans to be willing servitors of the Divine Consciousness (in the realm of relativity, that implies an opposite, the undivine consciousness, requiring a 'choice', thus 'willing servitor' of either Dharma, the Divine Truth of Oneness or adharma, the undivine falsehood of separateness). These few highly conscious, awakened humans must lend themselves fully as psychophysical instruments for the Supramental transformation in total equanimity, samata, seeing the indivisibility of the players in the Great Cosmic Play of the One and Its infinite many.

A few egoless 'guinea pigs', 'imbeciles' as the Mother revealed, devoid of any gross mental-vital perturbations are required. Are you up for it? Not that easy, isn't it? Do you feel the ego immediately objecting?

*'The whole earth must prepare itself for the advent of the new species, and Auroville wants to work consciously to hasten this advent.'*²

These egoistic mental-vital cosmic forces from the Overmind realms below are what will be either transformed or dissolved back to Source when the New Supramental World has fully manifested under the governance of the new apex species the Supramental being.

We call this the Golden Age or Satya Yuga.

Any egoless volunteers from the so-called [True Aurovillians](#) of Auroville, the City of Dawn, cradle of the transitional beings?

Poetry

THE MOON SHINES IN MY BODY

THE moon shines in my body, but my blind eyes cannot see it:

The moon is within me, and so is the sun.

The unstruck drum of Eternity is sounded within me; but my deaf ears cannot hear it.

So long as man clamors for the I and the Mine, his works are as naught:

When all love of the I and the Mine is dead, then the work of the Lord is done.

For work has no other aim than the getting of knowledge:

When that comes, then work is put away.

The flower blooms for the fruit: when the fruit comes, the flower withers.

The musk is in the deer, but it seeks it not within itself: it wanders in quest of grass.

Kabir, 1440—1518

FEEDBACK

*Not to avoid, allude or auto-play
In muted mutual dissatisfaction*

*Not to flatter, flatten or feed
The ego, subtle or overt*

*Not to pry, pick or prick
Loopholes in 'others'*

*Not to demonstrate
Right or wrong
Better or worse*

*But to give and receive
In growing goodwill
A trusting incubation
Full of candid calm
And comprehending compassion
Of crescent co-travelers
Careful in the art and act
Carefree in what comes
In the dance of Two in One*

Bio-Resonance (with Bi-Com machine) with Afsaneh

Bio-Resonance therapy is a complementary or alternative medicine therapy. It uses a device to determine the frequency of energy wavelengths emitted by the body. These measurements are then used to provide a diagnosis of a disease.

All body cells emit electromagnetic vibrations. During illness or injury these vibrations become disharmonious.

The Bi-com equipment can read these vibrations and transmit complimentary electromagnetic vibrations to restore harmony in the body.

The Bi-com equipment has computerized programs to make an energy diagnosis and to determine which therapies are appropriate for specific symptoms, organs, and meridians.

Bio-resonance therapy can be used for both diagnosis and treatment.

Chiropractic Adjustment by Afsaneh

Chiropractic is a health care modality that emphasizes diagnosis, treatment, and prevention of mechanical disorders of the musculoskeletal system, especially the spine.

The main chiropractic treatment technique involves manual therapy, including manipulation of the spine, other joints, and soft tissues; treatment also includes exercises, and health and lifestyle counselling. Most who seek chiropractic care do so for lower back pain. This healing modality offers at the same time a journey to discover oneself and the deeper functioning of our emotions.

Directed by Éric Gravel, France, 2021

With: Laure Calamy

Synopsis: Julie can't catch a break. For a single mother raising two children in the suburbs of Paris but working in the city, the train is a lifeline, and it's suddenly severed during a strike. Without the train, Julie can't get to her job at the hotel, or to the interview for a better job she has lined up... 'A more straightforward 'issues' film might have thrown in a catastrophe, a cataclysmic moment when everything goes wrong. But Gravel's script understands it doesn't need fireworks. Every day life is enough...'
