A weekly bulletin for residents of Auroville

Painting by Shona

This is the eternal Tree with its root above and its branches downward; this is Brahman, this is the Immortal; in it are lodged all the worlds and none goes beyond it. This and That are one.

Katha Upanishad

Follow the shining thread spun out across the mid-world, protect the luminous paths built by the thought; weave an inviolate work, become the human being, create the divine race... Seers of truth are you, sharpen the shining spears with which you cut the way to that which is Immortal; knowers of the secret planes, form them, the steps by which the gods attained to immortality.

Rig Veda.

The Ponder Corner

The next question that arises is whether this evolutionary movement is something separate and complete in itself or part of a larger universal totality of which the material world is only one province.

If we admit the existence of a cosmic Spirit, the Energy must be spiritual; life and mind must be independent products of a spiritual energy and themselves powers of manifestation of the Spirit.

House of Mother's Agenda

"In fifty years the whole world, all the receptive sections of humanity (I am not saying intellectual, I am saying receptive), all the receptive sections of the world will be embraced – not "embraced": ABSORBED in the power of Sri Aurobindo's thought.

Those who already are have the good fortune of being the first ones, that's all."

A The Gnostic Being

(continued from last week)

"At the summit of being is the Absolute with its absolute freedom of infinity but also its absolute truth of itself and power of that truth of being; these two things repeat themselves in the life of the spirit in supernature. All action there is the action of the supreme Self, the supreme Ishwara in the truth of the supernature. It is at once the truth of the being of the self and the truth of the will of the Ishwara one with that truth — a biune reality — which expresses itself in each individual gnostic being according to his supernature. The freedom of the gnostic individual is the freedom of his spirit to fulfill dynamically the truth of his being and the power of his energies in life; but this is synonymous with an entire obedience of his nature to the truth of Self manifested in his existence and to the will of the Divine in him and all. This All-Will is one in each gnostic individual and in many gnostic individuals and in the conscious All which holds and contains them in itself; it is conscious of itself in each gnostic being and is there one with his own will, and at the same time he is conscious of the same Will, the same Self and Energy variously active in all. Such a gnostic consciousness and gnostic will aware of its oneness in many gnostic individuals, aware of its concordant totality and the meaning and meeting-point of its diversities, must assure a symphonic movement, a movement of unity, harmony, mutuality in the action of the whole. It assures at the same time in the individual a unity and symphonic concord of all the powers and movements of his being. All energies of being seek their self-expression and at their highest seek their absolute; this they find in the supreme Self, and they find at the same time their supreme oneness, harmony and mutuality of united and common self-expression in its all-seeing and all-uniting dynamic power of self-determination and self-effectuation, the supramental gnosis. A separate self-existent being could be at odds with other separate beings, at variance with the universal All in which they coexist, in a state of contradiction with any supreme Truth that was willing its self-expression in the universe; this is what happens to the individual in the Ignorance, because he takes his stand on the consciousness of a separate individuality. There can be a similar conflict, discord, disparity between the truths, the energies, qualities, powers, modes

of being that act as separate forces in the individual and in the universe. A world full of conflict, a conflict in ourselves, a conflict of the individual with the world around him are normal and inevitable features of the separative consciousness of the Ignorance and our ill-harmonized existence. But this cannot happen in the gnostic consciousness because there, each finds his complete self and all find their own truth and the harmony of their different motions in that which exceeds them and of which they are the expression. In the gnostic life, therefore, there is an entire accord between the free self-expression of the being and his automatic obedience to the inherent law of the supreme and universal Truth of things. These are to him interconnected sides of the one Truth; it is his own supreme truth of being which works itself out in the whole united truth of himself and things in one supernature. There is also an entire accord between all the many and different powers of the being and their action; for even those that are contradictory in their apparent motion and seem in our mental experience of them to enter into conflict, fit themselves and their action naturally into each other, because each has its self-truth and its truth of relation to the others and this is self-found and self-formed in the gnostic supernature.

In the supramental gnostic nature there will therefore be no need of the mental rigid way and hard style of order, a limiting standardization, an imposition of a fixed set of principles, the compulsion of life into one system or pattern which is alone valid because it is envisaged by mind as the one right truth of being and conduct. For such a standard cannot include and such a structure cannot take up into itself the whole of life, nor can it adapt itself freely to the pressure of the All-life or to the needs of the evolutionary Force; it has to escape from itself or to escape from its self-constructed limits by its own death, by disintegration or by an intense conflict and revolutionary disturbance. Mind has thus to select its limited rule and way of life, because it is itself bound and limited in vision and capacity; but gnostic being takes up into itself the whole of life and existence, fulfilled, transmuted into the harmonic self-expression of a vast Truth one and diverse, infinitely one, infinitely multiple. The knowledge and action of the gnostic being would have the wideness and plasticity of an infinite freedom. This knowledge would grasp its objects as it went in the largeness of the whole; it would be bound only by the integral truth of the whole and the complete and inmost truth of the object, but not by the formed idea or fixed mental symbols by which the mind is caught and held and confined in them so as to lose the freedom of its knowledge. The entire activity also would be unbound by an obligation of inelastic rule or by the obligation of a past state or action or by its compelling consequence, Karma; it would have the sequent but self-guided and self-evolving plasticity of the Infinite acting directly upon its own finites. This movement will not create a flux or chaos, but a liberated and harmonic Truth-expression; there would be a free self-determination of the spiritual being in a plastic entirely conscious nature."

WORKING UPDATE # 5

Dear Aurovilians,

Working Committee secretariat

With the help of a computer wizard we were finally able to access the two WC computers whose password has been changed without our knowledge. It was found that the hard drives of the two computers are blank! All the data of the Working Committee computers have been erased! We no longer have an archive, the entire computer data of the Working Committee has been deleted. This is theft of data and we have made a report regarding this.

The filing cabinets and cupboards are still locked and the keys are missing. We requested the former Working Committee secretaries to return the keys to us, but they refused. Also the seal of the Working Committee is missing and it is being used fraudulently to stamp and issue visa recommendations which are rejected by the Foundation.

Three writ petitions have been submitted by Aurovilians against the Foundation and against individual Aurovilians in Chennai High Court.

1 – WP/14707/2022

- **Hemant Lamba Versus Auroville Foundation and former WCom members**
- **case number 204900147072022**

The writ petition pertains to the dismissal of former Working Committee members Mr Sauro Mezzetti, Mr Hemant Lamba and Ms Chali Grinnel via the approved community process called PWG (Participatory Working group document) by the present Working Committee members Anuradha Legrand, Arun S, Parthasarathy Krishnan, Srimoyi Rosegger. Hemant Lamba wants to challenge the legality of their dismissal in court.

2 – WP/11738/2022

- **Krishna Devanandan Versus The Auroville Foundation**
- **case number 204900117382022**

This writ petition pertains to the selection of ATDC members according to community selection process 2017

3 – WP/8675/2022

- **Anita Gaur Versus The Auroville Foundation**
- This writ petition is by Ms. Fabienne Marechel who authorized Ms Anita Gaur to file a case on her behalf. The topic is Outreach Media.

Positive steps have happened with the *joint meetings with ATDC and FAMC* which will also review and start acting on the 57th GB Meeting points.

The Working Committee has had two joint meetings, further exploring topics which need immediate attention. We want to extend a call to the community to participate in the many pending tasks and projects. The workload is immense and the working groups encourage the active collaboration of all hands to come on board to collaborate with the building of Auroville in all its aspects.

Update on RoR numbers

1572 residents have filled in the register of residents so far, out of a total of 2472 residents above 18 years which is more or less 64%. There are about 900 people who have not yet filled their RoR. Kindly do so asap and call on us if you need help with filling in the form.

*With Best wishes,
Anu, Arun, Joseba, Partha, Selvaraj, Srimoyi, Tine

NOTE FROM THE RECONSTITUTED FAMC

Dear community, the present FAMC has been reconstituted directly under the Governing Board for a period of three years. This came about because of Auroville's non-compliance, towards both the Auroville rules and values as well as the laws of India. Earlier FAMC groups have been doing their best to clean up but with little success. Time is running out and not only are our non-compliances very damaging to our reputation but also they are costing the community heavily in fines.

Auroville has grown "organically and wild" over the many years and its management systems have become extremely complicated and are now collapsing under their own weight which is exactly why we have been given these 3 years to restructure our organization to meet the needs of a growing township and to immediately address all observations made in the [57th meeting of the Governing Board](#).

We have a task of:

- Putting in place a **Collective Shared Accounting System**.
- Introducing **one (collective) GST accounting gateway**.
- Reducing the present number (close to 50) of trusts to 2, one for services and second for income generating enterprises.
- Creating a single procurement service.
- Creating a program for expansion of Auroville farms.
- Review of all land utilization for productive use.
- Finding and putting all unused and underutilized building and office spaces into use.
- Creating a start-up program for new entrepreneurs with support both with space, finance and mentors.
- A similar programme to support existing units to grow and provide income for the community.
- Human Resource Service and an apprentice/volunteer programme.
- Budget coordination for optimal use of capital flow.
- Consolidation of cash reserve pool for the new development.
- Housing/building asset reallocation policy (without monetisation of assets.)
- Consolidate and reality-check the Auroville data: human, land and buildings and put the data into an integrated, cross-linked database available for all working groups and the community.
- Review of stewardship policies for all the Auroville Asset types

It is a huge and challenging task ahead of us and we all need to participate as best as we can because the very survival of Auroville depends on it. Failing is not an option. A lot of work will need to go into this.

When all this restructuring is done, Auroville will be able to move forward in a beautiful way. There is so much energy here, which if channeled with a bit more focus could be a very strong force. Doing this will also set free a lot of energy, as everybody, working groups and units, can focus on their work while avoiding the spending energy on their individual fight with compliance. This change would usher in a lot of needed transparency and allow us to focus more on building our community, based on Auroville values.

Geeta and Jocelyn will be available once a week to reach out to all who have concerns and to hear their suggestions on all aspects of our collective work ahead. We will announce their availability in our next bulletin as we are still getting settled. We will also announce **Why and When (a roadmap)** of some of the above points very soon.

We take this opportunity to thank all those who have put in tremendous effort to make a push for submitting the accounts on time for the year 2021-2022. As this was the very first year we, as a community, managed this task very well. We wish to express our full support, in Matter and Spirit, to our community members' commitment to replace the existing maintenance system with a **Prosperity System** open to all Aurovilians, addressing their basic needs.

In Her Service, Smiles, FAMC (Chandresh, Geeta, Jocelyn, Kalya, Sathyannarayan and Torkil)

**AUROVILLE FOUNDATION
DATA & INTELLECTUAL PROPERTIES**

Addressed to the working groups & their members as of April 1, 2022.

Land Board, Budget Coordination Committee, Working Committee, Housing Board/Service, Unity Fund/City Services, Farms & Forests, Trusts, Units & Services.

It has come to the attention of the FAMC from the postings by Auroville Council that data & email accounts of Auroville working groups which deal with Auroville Foundation assets, correspondence with official entities such as ministries, Governing Board members etc are being requested to be shifted out to domains other than auroville.org.in.

Please be informed that the FAMC strongly discourages that no such activity be carried out. Shifting, copying, deleting of Auroville Foundation soft assets such as online data and working group emails be avoided by all the working group members as it has legal ramifications for Auroville as a whole and the working group members in particular.

In Her Service, Smiles,

FAMC

Project brief: This area is already in use and has a temporary shed like roof. The space is not enclosed by walls and is open and cannot be locked. It is exposed to all the elements like rain and humidity and dust and animals/ insects etc.

Vanaville has workers from the bioregion and the activities of screen printing, packaging etc. is done collaborating with other Auroville units and other handicrafts units in surrounding villages.

The present common wall near Tanto Pizzeria will be a window to Vanaville visitors coming to Tanto so that they can have a view of the products from the Pizzeria side and visit the boutique inside. This will minimize extra traffic.

The roof will be done by GI sheets which can be recycled and reused if needed in future. The design of the extension was made by Kupuraj of Pragati Consultants for an additional 87.96sqm to the existing 140.30sqm. Project is worthed 12.87.675/- and it will be funded by Arun and Renuka.

AUROVILLE MATTERS

EMOTIONAL & MENTAL HEALTH IN AUROVILLE

Dear friends, these current challenging times in Auroville can possibly trigger the rise of unexpected thoughts and emotions, eventually bodily disagreements, as well.

One might feel betrayed, by those well-known friends or outwardly auspicious circumstances that were unconsciously expected to last endlessly in the same good manner. One might experience that the feeling of safety and happiness in which one was living for so long, of course with ups and downs but steadily all the same in the end, has suddenly fallen apart and nothing will ever be the same.

For those reasons and others, more intimate and/or surprising, one might experience unexpected and unknown mindset and emotional states, even physical disagreements or discomfort, panic-attacks or sudden fear of death or annihilation.

Whether you feel helpless or distressed, you would like to share in an intimate one-on-one session, or you would prefer to reach out to a group with people sharing similar concerns, please send a message to us and we will do our best to support you.

PASSING ON

MARION

This is to inform the community that our dear friend and sister Marion Maekin passed away by suicide in the morning of Monday 13 June. She was 72 years old, and had been struggling with clinical depression.

Originally from UK, Marion came to Auroville in 2014 with her husband Tony, and officially joined in 2016. With her straightforward, direct and friendly nature, she was a much-appreciated teacher in several of our schools and other educational projects, took part in the Aikiyam support group, was involved with the Farewell team as well as with the Tibetan Pavilion, and functioned as a lively and hands-on member of the Auroville child protection group.

Many of us will remember her from the road, on her three-wheeler scooter with on the back her elderly husband Tony, whom she always surrounded and treated with the utmost love and care.

Our warmest condolences and strength go out to Tony and family members abroad, as well as her friends here in Auroville.

May you find peace, dear Marion. OM

- To remember her, enjoy [her choice of music and comments](#), recorded in March 2021.

Session 2: "Discovering Agni", 2 July, 9:45 – 11am, Bhumika Hall. **Facilitator:** Manoj Pavitrans

About the session: Agni is the most important, the most universal of the Vedic gods. In the physical world, he is the general devourer and enjoyer. He is the Will in Prana, our passions and obscure emotions are the smoke of Agni's burning. He is also the Will in the mind and clarifies it by aspiration. When he enters into the intellect, he is drawing near to his divine birthplace and home. He leads the thoughts towards effective power; he leads the active energies towards light. His divine birthplace and home, is the Truth, the Infinity, the vast cosmic Intelligence in which Knowledge and Force are unified.

In light of Sri Aurobindo's 150th birth anniversary, we are delighted to invite you to come, join us for a collective study of The Secret of the Vedas at Bharat Nivas.

About Secret of the Veda:

The work from Sri Aurobindo: Secret of the Veda are essays on the Rig Veda and its mystic symbolism, with translations of selected hymns. These writings on and translations of the Rig Veda were published in the monthly review *Arya* between 1914 and 1920. Most of them appeared there under three headings: *The Secret of the Veda*, "Selected Hymns" and "Hymns of the Atris". In August 1914, Sri Aurobindo began to publish *The Secret of the Veda* in the first issue of the philosophical review *Arya*.

THE SECRET KNOWLEDGE, PART 1

Savitri
B H A V A N

Meditations On Savitri, Book 1 – The Book Of Beginnings, Canto 4: The Secret Knowledge, Part 1.

Monday, 27 June 2022, 4pm at Savitri Bhavan.

Duration: 35min.

Having reached a high level of spiritual development, King Aswapati sees yet higher levels before him. He understands that human beings are not only mortal, bound by death and ignorance: a greater existence lives within each of us. The 'peak experiences' which come to us occasionally are indications of its presence within us, guarding our future destiny. That being does not die with the death of the body: it is our immortal Origin. Meanwhile, however, our earthly existence is dominated by unconsciousness and struggle: *An outstretched Hand is felt upon our lives. / It is near us in unnumbered bodies and births... / No will can take away and no doom change, / The crown of conscious Immortality, / The godhead promised to our struggling souls / When first man's heart dared death and suffered life.* (p.59)

The Timeless One has consented to incarnate in Time. He, the Purusha moves here as Soul, she, the Shakti as Nature: *There are Two who are One and play in many worlds; / In Knowledge and Ignorance they have spoken and met / And light and darkness are their eyes' interchange;* (p.61)

The Immortal beings living on higher levels of existence are able to see the great future which lies in store. From their heights they are guiding the Earth along the winding road of evolution to its great and blissful fulfillment when the Supreme Transcendent Being will take possession of his material house and earth-matter shall grow unexpectedly divine.

A meditative film of Huta's paintings illustrating passages from *Savitri* read by The Mother and accompanied by her own organ music which can connect us to the Divine Presence within and lead us towards the spiritual truth and the New Consciousness.

- In the beginning there will also be a short video of Huta speaking about her work with the Mother. 5min.
- The videos *Meditations on Savitri* can be seen at the Savitri Bhavan website <https://savitribhavan.org/meditations-on-savitri-video/>

Bhumika Hall, Bharat Nivas

Welcome to an interactive session on:

आत्मसंयमयोग: YOGA OF SELF-CONTROL

We will continue our study of the Bhagavad Gita, this time with a focus on Chapter 6 - आत्मसंयमयोग: facilitated by Sampadbhai.

Dr Sampadananda Mishra is a scholar of Sanskrit and Indian culture with over 25 years of dedicated service. He is devotee of Sri Aurobindo and The Mother. Presently he is working as a Professor at Rashtram School of Public Leadership and Rishihood University, Sonipat.

SATURDAY - 25TH JUNE, 2022
10:00 AM TO 12:00 PM
BHUMIKA HALL, BHARAT NIVAS

Write to: devabhasha@auroville.org.in
All are warmly welcome.

Samskritam Auroville & Bharat Nivas Team

नमस्ते Trust you are well. We are happy to continue our exploration of the Bhagavad Gita with Dr Sampadananda Mishra. This Saturday he will share a summary of Chapter 6 आत्मसंयमयोग: *The Yoga of Self-Control*, insights from some key shlokas and their deeper significance in everyday life.

- 10 to 10:25am: Chanting of Sanskrit shlokas from Chapter 6;
- 10:30am to 12pm: an interactive session with Sampadbhai.

Here are a few verses from the Bhagavad Gita chapter 6:
In verse 6.9 Sri Krishna says:

सुहृन्मतिरार्युदासीनमध्यस्थद्वेष्यबन्धुषु ।
साधुष्वपि च पापेषु समबुद्धिर्वशिष्यते ॥

He who is equal in soul to friend and enemy and to neutral and indifferent, also to sinner and saint, he excels.

In verses 6.33 and 6.34 Arjuna says:

योऽयं योगस्त्वया प्रोक्तः साम्येन मधुसूदन ।
एतस्याहं न पश्यामचिञ्चलत्वात्स्थितिस्थिराम् ॥

This Yoga of the nature of equality which has been described by Thee, O Madhusudana, I see no stable foundation for it owing to restlessness.

चंचलं हि मनः कृष्ण प्रमाथि बिलवद् दृढम् ।
तस्याहं नगिरहं मन्ये वायोरपि सुदुष्करम् ॥

Restless indeed is the mind, O Krishna; it is vehement, strong and unconquerable; I deem it as hard to control as the wind.

In verse 6.35 and 6.36 Krishna says:

असंशयं महाबाहो मनो दुर्नग्रिहं चलम् ।
अभ्यासेन तु कौन्तेय वैराग्येण च गृह्यते ॥

Without doubt, O mighty-armed, the mind is restless and very difficult to restrain; but O Kaunteya, it may be controlled by constant practice and non-attachment.

असंयतात्मना योगो दुष्प्राप इति मे मतिः ।
वश्यात्मना तु यतता शक्योऽवाप्तुमुपायतः ॥

By one who is not self-controlled, this Yoga is difficult to attain; but by the self-controlled, it is attainable by properly directed efforts.

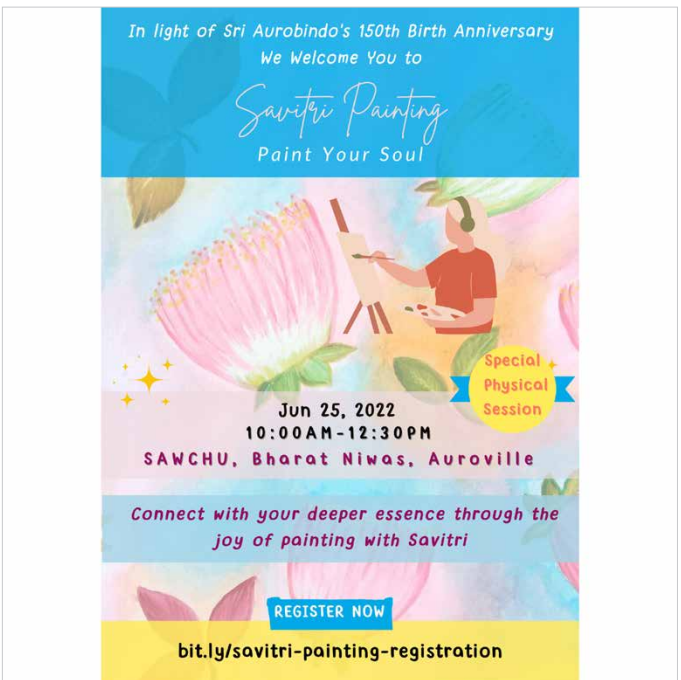

What is the deeper significance of अभ्यास (abhyaasa) and वैराग्य (vairagya) and how do we bring it in our everyday life through properly directed efforts? We look forward to reflecting together on the Gita chapter 6 – आत्मसंयमयोगः The Yoga of Self-Control.

All are welcome.

पुनर्दर्शनाय पुनर्हरणाय, पुनर्मातृदेव्याः कृपावर्षणाय ।
Warmly, Samskritam Auroville and Bharat Nivas Team

HELP NEEDED

STREET ART EXHIBITION FUNDRAISING

CREEVA

Hello Everybody, CREEVA (Centre for Research Education Experience in the Visual Arts), wants to hold a **one day street art exhibition for our Auroville and outside artists at around Bharathi Park in Pondicherry.** We intend to have this show to celebrate Sri Aurobindo birthday on 15th of August 2022.

We hope the artists participating in this exhibition will delight the public with their works of art and this event will be a great opportunity for an artist to realize the fullness of their creativity in the future.

To implement this event, we have to pay fees of ₹30,000 to Government of Puducherry for the permission, and ₹30,000 for other expenditures. Approximately, a total estimated cost of ₹60,000.

CREEVA is a non-profit service organization, we want to support artists, they want a chance to show their work to the outside world, imposing a fee on the participating artists will be a burden to them.

Therefore, we request for your support and heartfelt donations on this occasion to promote this project.

NEWS FROM POUR TOUS

Dear community, we've been very busy at PourTous in Aspiration and we have great plans for our community center. We painted the inside of the shop while the girls were on tour and now it's the turn to revive the outside with some new color. Soon the sign will be back with a surprise!

The entry now has a sitting area and we're adding potted plants to make it even more attractive. We're calling on volunteers who have suggestions on suitable decorations once we've finished the basic colors.

If you feel the calling to collaborate in any way please contact Joel Sanjana at 2623091 or ptps@auroville.org.in.

We are preparing to open the Canteen as soon as we possibly can and have already started to clean that area.

We will offer a space where Aurovilians and their guests can enjoy healthy, sustainable and affordable food, a little bit away from it all...

Many products have been added from Auroville and the bio-region. We call on all Auroville producers who actually produce something to contact us. Simply repackaging is not an added value and will be shunned as we hope you agree. We would love to be the center for all your Auroville and bio-region offerings and needs at the best possible prices.

We now offer

- Kajimba fermented drinks
- Massimo's Fontina cheese
- Crackers and cookies from the Bakery and bread on order
- Leelu's affordable nut butters from Tiruvannamalai
- IFB fish filets and breaded fish fingers (with a little masala! ;-)

The range of bulk has expanded with affordable vinegar and now has a place of its own. Do ask for assistance when needed. More bulk will follow as we practice and find space for the containers.

We are trying to order more consciously every new day and provide you with what you need...

We offer all units, services and guesthouses a discount* for all they consume professionally and soon will be able to provide a monthly GST bill for all purchases. And we're also planning to become energy independent by installing solar panels from Sunlit Future framed by Aureca. Then we could also have charging stations.

Trying to serve you, the community, as well as we can.

Pour Tous Goods

Dear community, we have a lot of news for you.

As you hopefully appreciate we are changing a lot to make 'Old' Pour Tous the place where you want to go get all you need. Many items are moving and we hope you bear with us.

- **The right side as you enter** will have all Auroville, bio-region, bio-eco-organic items. It will grow into the one-stop-shop where you can find anything sustainably produced in Auroville and the bio-region.
- **The left is literally what is 'leftover'** and those unsustainable items will shrink in number and volume but will not disappear completely!

We will never limit your choice. We will try to find the best alternative or even stock items especially for you if you really need them. Just help us by letting us know if you miss items.

This of course is a step-by-step process and will take time.

We ask you to help us by being patient and giving us constructive suggestions and even come and help us if you think you can contribute!

- We are changing the ordering system which is causing some empty spots and shelves, but we prefer to buy the right stuff right away. Thank you for your patience!
- We are experimenting with email orders to be ready for pick-up or even delivery.
- We are able to give discounts to units, services, guest-houses, schools and services for items you use.
- And we can give GST invoices at the end of the month on demand.

Please place your orders via email: ptps@auroville.org.in, info: 0413 262 3091

AV POETRY

I DON'T WANT TO WRITE POEMS

Marion, the afternoon tea together
Poems should have taste
Marion, the flowers of the next door
Poems should have smell
Marion, the friendly hug at Pour Tous
Poems should have touch
But really, I don't want to write poems

Do you remember Akash?
I want to remember the salty ocean
Poems should have taste
I want to remember the previous day's odor
Poems should have smell
I want to remember the burnt pot empty of biryani
I had to give it the strong touch of my hands to clean it

No, I don't want to write poems
I told him to pour a little water to heat it up

IN HER MOMENT OF HUMOR

In Her moment of humor
Mother named bitter gourd "Sweetness".

Bitter sweet...flavors of life.
Like or reject them, they just exist.
Significant or not, they still pass.

∞

Sometimes
Children play wild
And forget to
Put things
Back in order.

What can a mother do?
Continue to smile
Or feign a stern response?

∞

We sing out loud
Chaotic or in chorus

The silent witness
Waves Her arms
And conducts in Grace.

BIRTHDAY GIFT

When Lord himself
Prepares a grand gift
For His birthday
He sets the worlds
As a stage
Invites all His
Creatures and children
To participate
To each play a role
In the drama that unfolds
In the play of opposites
Fighting & mimicking each other

To realise their resemblance
To remember the One origin
To live the finale
Of a Life Divine
Now or later

VOICES & NOTES

THE CORE PARAMETER OF LIFE IN AUROVILLE

The core parameter of life in Auroville is not Human Unity per se. This is the traditional point of view.

The fundamental unity is already there. The predominant limitation of humans is the non-perception of this oneness, living in an illusory sense of separateness, a false perception of reality which creates confusion, adharmic actions and karmic suffering.

And so to understand Auroville is to understand the avatic Vision and Work of our founders Sri Aurobindo and The Mother, the core of which is this:

“Man is a transitional being, he is not final.”

Unity in Diversity is the initial acknowledgement of an individual who has awakened to the play of opposites, the seeming contradictory yet complementary hierarchical play of beings and consciousness-forces. This is the Truth-Unity Consciousness that is the result of finding the Psychic within and re-uniting with Spirit.

These more or less awakened family of individuals now come together in a Deva Saṃgha, the purpose of Auroville, for the collective Work necessary for the full Triple Transformation: psychicisation-spiritualisation-supramentalisation of the family of transitional beings, the residents of Auroville in its unique diversity, archetypes that will act as contagion for others globally, towards the next apex species the Supramental beings.

This is a multi-generational multi-psychophysical level of endeavor, the core of which is the Vision and Work of Sri Aurobindo and The Mother.

Without this core evolutionary understanding of the trajectory of life on Earth, one is lost in dissonant personal pursuits, especially here in Auroville which embodies this core Vision and Work. This infers that any falsehood that is in disharmony with the Truth cannot continue to be. And so the churning¹ which are the progressive transformational process itself, prompted by successive non-ending evolutionary catalysts one after another. Surrender and adaptation are the keywords of this spiritual evolution. This is also why Auroville is labeled as the City of Dawn and the Cradle of the transitional beings.

The easiest and most joyful path to be receptive to the Auroville vibes is the Sunlit Path of Surrender:

“...to live in Auroville, one must be a willing servitor of the Divine Consciousness.”

We do not know exactly when it will happen, but in a positive progressive mode of integral surrender — psychic-mind-life-body — we will each be guided by The Divine Mother according to our unique capacities and will simply be instruments towards the coming Divine Manifestation of the Supramental beings that will divinely govern Earth and usher in a Life Divine, for humans and all sentient beings in the diversity of it all.

LET'S BUILD THE RESIDENTS' ASSEMBLY PAVILION

We all want to build the City. Let's start building a Residents' Assembly Pavilion, where we can meet, discuss, and decide. A place for Unity in Diversity, for Peace, for building "bridges." A space to remember why we are here.

If this resonates with you, please sign up here:

- <https://forms.gle/QijzbSDcUXqxKRav9>.

Also, please share any ideas to residentsassemblypavilion@gmail.com. Where do you imagine the Residents' Assembly Pavilion to be? How does it look like? For what purposes will it be used for?

For me, we can quickly build a simple, temporary, structure wherever (for example, near Solar Kitchen). I see it made in natural materials (bamboo, wood), a circular space (resembling the Auroville symbol), with no walls, open to all residents to meet whenever they feel the need. With whiteboards and panels where they can draw their comments and ideas. Maybe even with some attached space for the Residents' Assembly Service, and the Working Committee of the Residents' Assembly.

Let's do it. Now. Together.

Hatha Yoga with Ramesh

Every Thursday from 5:30 to 6:30pm

Ramesh offers hatha yoga classes with some vinyasa flow and include pranayama, traditional sanskrit mantra chanting, and meditation. The style is gentle, adaptive and progressive where passive, gravity-assisted poses are mingled with dynamic vinyasa-style flow as needed. He places a lot of focus on breathing and body-mindfulness during the practice. It is ideal for beginners to intermediate-level practitioners. You will be exposed to authentic Sanskrit terms and their correct pronunciation. The practice will be rejuvenative and restorative. These specific classes will be on donation basis even for guests.

Traditional Sanskrit Mantras with Sonia

Every Friday from 5 to 6 pm, drop in class.

Starting on April 22.

In the recitation of Sanskrit Mantras the sound is very important and the specific pitches and strict rules of intonation and syllabic length should be learned according with the tradition of the great masters of the past, who figured out how to use the voice to calm the mind and attune the practitioner to the more subtle levels of the "sadhana" or spiritual path. Through the harmonic rhythm, repetition and participation in the singing, the mind reaches more clarity, concentration and tranquillity.

Facial Acupuncture and Massage with Lhamo

On appointment only (+91 9565524237)

Facial acupuncture works on the principle that in the face there is a holographic miniaturization system covering the whole human body. The theory and techniques of facial massage comes from facial acupuncture and it is useful for people who are more sensitive and feel uncomfortable with the needles. Through massaging the face, neck, head and using acupressure, the whole body is treated and supported.

Gua Sha (Chinese Detox Scrub) with Lhamo

On appointment only (+91 9565524237)

This is one of China's oldest treatments. The practitioner uses a tool like a flat piece of jade to scrub the skin to help release blocks, stagnant blood, energy and restore a natural flow. When the toxins in the deep layers of the body reach the surface through scraping, they get more easily released from the body. This treatment is also suitable for healthy people to detoxify, to purify and improve the metabolism of the whole body.

Head & Shoulders Marma Massage with Bala

On appointment only (+91 9892699804)

Marma points means "vital points that hold life force energy". In this massage the practitioner uses fingers and hands to press (isometric / constant pressure) the specific point in head, face ,neck and shoulders .This massage is based on the principles of Ayurvedic and various martial art traditions. Marma massage can help in relieving deep-seated tensions and improving circulation and energy flow.

Hypnotherapy with Lhamo

On appointment only (+91 9565524237)

In modern hypnosis, the emphasis is put on our own relationship to our own creative unconscious. There are many different aspects and parts in our outer and inner life. And there are parts that don't have a positive appearance. But in hypnosis, we can turn them into positive possibilities and let them teach us how to discover their positive meaning.

Shiatsu Massage with Sara and Simona

On appointment only (+91 9443617308, +91 9489511648)

Shiatsu is a manipulative therapy developed in Japan and incorporating techniques of anma (Japanese traditional massage), acupressure, stretching, and Western massage in order to maintain physical and mental well being, treat disease, or alleviate discomfort. It involves the uses of kneading, pressing, soothing, tapping, and stretching techniques and is performed without oils through light, comfortable clothing.

Small Children (0-6) Chinese Massage with Lhamo

On appointment only (+91 9565524237)

A very interesting way of looking at small children's health and well being. It is a way to cure infants' daily problems (cold, digestive functions, fever, cough, etc.) and increase the immune system without medicine. It works through very soft massage using different acupressure points than adults. It is an empowering tool for parents to deal with their kids daily ailments. It is very effective for newly born babies and suitable for children up to 6 years old.

Nataraj Dance Meditation – with Nirmal

Saturdays, from 5 to 6:30pm

Nataraj represents the energy of dance; dance becomes meditation when the mind dissolves and only the dance remains, when the 'doer' disappears and embodiment manifests. These 60-minute sessions follow Osho's Nataraj Meditation format, with enhancement of the soundtrack using live improvised instrumental music. The soundtracks are varied and live music is created to offer new experiences in every session.

THE GREAT RACE

Written & directed by Blake Edwards – USA, 1965

With: Tony Curtis, Jack Lemmon, Natalie Wood, Peter Falk ...

Synopsis: In 1908, professional daredevil and white-suited hero, The Great Leslie, convinces turn-of-the-century auto makers that a race from New York to Paris (westward across America, the Bering Strait and Russia) will help to promote automobile sales. Leslie's arch-rival, the mustached and black-attired Professor Fate vows to beat Leslie to the finish line in a car of Fate's own invention. But it is without counting on the presence in the race of Maggie Dubois, a feminist journalist, who will sow trouble in the heart of Leslie. This is pure slapstick comedy homage to Laurel & Hardy). The spectacle, incredible early 20th century costuming, stunt work and attention to detail, all of which are outstanding; and of course the actors' performance is great!

Wandering, A Rohingya Story (Errance Sans Retour)

• 2020, Bangladesh-Canada, Documentary, 1hr 28min

Within a few months, the Kutupalong refugee camp has become the biggest in the world. Out of sight, 700,000 people of the Rohingya Muslim minority fled Myanmar in 2017 to escape genocide and seek asylum in Bangladesh. Prisoners of a major yet little publicized humanitarian crisis, Kalam, Mohammad, Montas and other exiles want to make their voice heard. Between poetry and nightmares, food distribution and soccer games, they testify to their daily realities and the ghosts of their past memories. Around them, the specter of wandering, waiting, disappearing. In this place almost out of space and time, is it still possible to exist?

En quelques mois, le camp de réfugiés de Kutupalong est devenu le plus peuplé au monde, abritant plus de 700 000 réfugiés Rohingya en exil luttant pour leur survie. Dans ce labyrinthe d'abris de fortune, presque hors du temps et de l'espace, est-il encore possible d'exister ?

- **Writers, Directors, Producers:** Mélanie Carrier, Olivier Higgins
